The Queer Coming of Age Film Genre Brad Windhauser,2024-10-15 In *The Queer Coming of Age Film Genre* Brad Windhauser argues for the existence of this genre and using a genre and queer theory lens investigates how the initial classic cluster of this genre's films represent the unique issues experienced by queer people including trans non binary and intersex individuals coming of age in society in the mid to late 90s As society evolved the book posits so too did the ways in which these films explored additional factors influencing the queer coming of age experience such as race and economic status in the genre's second stage Windhauser explores how this genre depicts the way queer people often engage with the coming of age process earlier than their cis het peers due to their queer identity but also how this process can extend beyond adolescence into emerging adulthood and adulthood itself Ultimately the book demonstrates how these films have become a tool to both further political goals of queer advocacy and acceptance and to offer guidance to queer people looking to gain a deeper understanding of their own lives and experiences Scholars of film studies genre studies pop culture and queer studies will find this book of particular interest

Conversational Narrative Neal R. Norrick,2000-09-15 This book investigates the forms and functions of storytelling in everyday conversation It develops a rhetoric of everyday storytelling through an integrated approach to both the internal structure and the contextual integration of narrative passages It aims at a more complete picture of oral narrative through analysis of a wider range of natural data including personal anecdotes told for humor put down stories told for self aggrandizement family stories retold to ratify membership and so on as well as marginal stories and narrative like passages to delineate the boundaries of conversational storytelling and to test the analytical techniques proposed Using transcriptions of stories from everyday talk Norrick explores disfluencies formulaicity and repetition as teller strategies and listener cues alongside global phenomena such as retelling and narrative macrostructures He also extends his analysis to narrative jokes from conversation and to narrative passages in drama namely Shakespeare's *Romeo Juliet* and Beckett's *Endgame*

Integrating Narrative Medicine and Evidence-Based Medicine James P Meza,Daniel S Passerman,2011-03-20 Scientific evidence based medicine is increasingly seen as fundamental to providing effective healthcare but narrative based medicine sheds light on social and interpersonal aspects of the practitioner patient interaction which can also greatly affect healthcare outcomes The philosophies underlying these two approaches seem to contrast yet thos
