To Whom It May Concern:

TJC Construction Management completed the build out of a 5,000 square foot hot yoga studio and retail store in University Plaza, Dundas, ON. The project took place in an older retail strip mall, and the unit was in poor condition and needed to be gutted, brought up to code and essentially built from scratch. TJC responded extremely positively to any challenges, demonstrating advanced communication, administrative and technical skills. The job was completed without any surprises, hidden costs or miscommunications. My experience in working with TJC was extremely positive. The staff and crews are professional, hard-working, reliable, responsible and take pride in solving construction problems and producing great results.

I look forward to opportunities to recommend TJC Construction Management and possibilities of working with them again in the future.

Your truly,
