

# WELCOME TO THE NEW SCHOOL YEAR & THE CLASSROOM OF

---

Dear Parents & Guardians,

I would like to introduce myself as your Room Parent for the year. I'm here to help our kids have the best year ever! I'll be working with the teacher in leading the planning efforts for parties, field trips, and other class and school-sponsored events. I sincerely welcome your help! :)

Please check periodically for invitations from SignUp.com, which I will use to ask for parent volunteer help and to collect donations for teacher gifts. (It's super easy to use, free, and doesn't require that you set up an account to participate – AND sends you automated reminders for all your commitments.)

I'm looking forward to getting to know you and your child better. Here's to a fun-filled and extra special year ahead!

**Moms Don't Do it All** Thomas Phelan PhD, 2022-08-16 The only book that gives you an actionable plan to reduce the emotional labor and mental load that comes with raising a busy family while trying to live your own life from a clinical psychologist and bestselling author Are you a mom who does it all This is the book for you It s impossible to deny most moms continue to do way more household work and childcare than most dads Working full time raising kids cooking dinner making sure every appointment and activity is lined up and that everyone gets there on time no wonder you re tired But despite all the books and articles lamenting the crushing mental load and emotional labor women bear for their families no one has come up with a plan to actually make things change Until now The Best Moms Don t Do it All is the first book that not only acknowledges the fact that moms are burning out but shows you how to transfer responsibility for daily tasks from yourself to your partner and also gasp your kids Clinical psychologist and child discipline expert Thomas W Phelan PhD explains how we got into this mess in the first place and how we can get out of it through a calm systematic approach to teaching our families how to take initiative and contribute in meaningful ways Dr Phelan walks you through real life situations and shows you how to step back from the things that are dragging you down For example Your Maternal Identity the things you tell yourself you have to do in order to be a good mom The oppressive trap of chronic supervision Our society s curious underestimation of children s capabilities How to eliminate primary childcare with tweens and teens How to manage resistant or traditionalist dads Realistic and simple enough to implement in your home right away The Best Moms Don t Do it All provides a roadmap for you to take your life back and proves that the happiest families share the work and the fun equally Previously published as The Manager Mom Epidemic

**The Culture of Teenage Mothers** Joanna Gregson, 2010-07-02 Society stigmatizes teen pregnancy but most teenage mothers keep their babies and many regard their pregnancies as the best thing that ever happened to them In this book Joanna Gregson explores teen mothers shared culture how they perceive their situations and how they experience stigma Drawing from four years of participant observation research in a school based program for parenting teens Gregson presents the stories and voices of a group of mostly but not exclusively white teen mothers a group often overlooked in the literature She reveals a world in which teenage mothers compete with each other to show competency as parents and proclaim the virtues of teen parenting over that of women in their twenties thirties and forties Gregson discusses the teen mothers conceptions of fatherhood and how they judge their own children s fathers including the issue of older boyfriends impregnating teenage girls The young women s thoughts on the stigma they experience and the transformations in their lives and relationships are illuminating and important to all who care about teenage girls as well as about teenage mothers and their children

School Leadership for Authentic Family and Community Partnerships Susan Auerbach, 2012-05-22 School leaders are increasingly called upon to pursue meaningful partnerships with families and community groups yet many leaders are unprepared to meet the challenges of family and community partnerships to cross cultural boundaries or to be accountable to the community This book brings together research perspectives that intersect the

fields of leadership and partnerships to inform and inspire new approaches that strive toward more authentic collaboration

*Working Mother*, 2002-08 The magazine that helps career moms balance their personal and professional lives

*Working Mother*, 2002-08 The magazine that helps career moms balance their personal and professional lives      *The Psychology of Grandparenthood* Peter K. Smith, 2017-09-29 The majority of people will now spend about one third of their lives as grandparents yet developmental psychologists have largely ignored the nature of the grandparental role and the influence which grandparents can have on grandchildren Originally published in 1991 this book redresses the balance and uses life span evolutionary and psychodynamic theoretical frameworks to provide a comprehensive analysis of the phenomenon of grandparenthood from cross cultural perspectives Much recent work in developmental psychology has disregarded the extended family in favour of the two generational nuclear family of parents and children But grandparents do have a significant role in family relationships and children s development This volume contains detailed discussion of intergenerational transmission of parenting skills cooperation and conflict in three generational families and the ways in which grandparents and grandchildren perceive one another The importance of considering social and cultural contexts of development applies to grandparents just as much as to other areas of human development Kinds of family structure social policies regarding employment health and housing attitudes to marriage and even particular historical events all have an impact on the position and role of grandparents and on stereotypes of old age These factors vary considerably from country to country Our understanding of grandparenthood can only be enriched by learning about the variety of ways in which it is expressed in different cultural settings Most previous research has been confined to the USA This book is truly international containing contributions from Britain Canada Finland Italy the Netherlands Poland West Germany and the USA International comparisons enable us to see which elements are essential to grandparenthood and which are culture dependant In most Western countries the population is ageing and this sort of study is becoming vitally important *The Psychology of Grandparenthood* is required reading for anybody who is professionally involved with the elderly and for psychologists interested in development the life span and family systems      **Survival Skills for the Principals** John

**MTV and Teen Pregnancy** Letizia Guglielmo, 2013-05-30 In 2009 16 and Pregnant premiered on MTV closely followed by the spinoffs Teen Mom and Teen Mom 2 Because of their controversial portrayals of teenage mothers the shows have received ongoing media attention While some argue that the programs could play a factor in reducing the

number of teen pregnancies others claim the shows exploit young women and glamorize their situations Among these debates there have been surprisingly few in depth discourses that discuss the roles such shows have on teenage audiences In MTV and Teen Pregnancy Critical Essays on 16 and Pregnant and Teen Mom contributors from a variety of backgrounds and expertise offer potent essays about these programs Divided into four parts the book tackles the controversial representations of teen pregnancy from various disciplines Part I explores gendered social norms and the shows roles as either educational resources or idealized depictions of teenage motherhood Part II prompts readers to consider the intersections of race class gender and the social and cultural power structures often glossed over in these programs Part III focuses on teenage fathers the portrayal of masculinity and good vs bad parents Part IV draws from TVs representations of reality to discuss the impact of these shows on the viewing audience This section includes a narrative from a teen mother who argues that the shows do not accurately reflect the life she leads As the debates about 16 and Pregnant and Teen Mom continue this collection provides a valuable critical discourse to be used both inside and outside the classroom Those engaged in courses on gender and women s studies as well as media studies social work and family and childhood development will find MTV and Teen Pregnancy especially insightful as will those involved in community outreach programs not to mention teens and young mothers themselves
