Sample Letters Of Encouragement For Mission Trip:

Letters of Encouragement Warner Doles, 2010-09 In *Letters of Encouragement* Dr Warner Doles has provided not merely an explanation of selected scriptures but a guide to the believer's everyday life of faith. He has interspersed his writing with scriptural quotes, words from the original languages, and his own down-to-earth comments in his own earthy prose. He writes as a scholar who can discern and analyze God's message of the Bible and as a gentle shepherd who explains his analysis to the lay Christian in an understandable way. I recommend *Letters* as a book that the serious believer will want to read more than once. Jere Geurin Morehead City NC In my opinion it is a great light expositional commentary. The Greek explanations have been used in such a way that any one can understand the text and feel the power of the original language. I expected just a short encouraging book and got both the encouragement of the scripture and Dr Doles' commentary on the text. I recommend it to all pastors, teachers, and laypersons.
