

God's Garden

God looked around His garden
And found an empty place.
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.
He saw the road was getting rough
And the hills were hard to climb,
So He closed your weary eyelids
And whispered "Peace be thine".
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home.

Pogue's War Forrest C. Pogue, 2006-02-01 With a foreword by Stephen Ambrose and a preface by Franklin D Anderson Forrest Pogue 1912 1996 was undoubtedly one of the greatest World War II combat historians Born and educated in Kentucky he is perhaps best known for his definitive four volume biography of General George C Marshall But as Pogue's War makes clear he was also a pioneer in the development of oral history in the twentieth century as well as an impressive interviewer with an ability to relate to people at all levels from the private in the trenches to the general carrying four stars Pogue's War is drawn from Forrest Pogue's handwritten pocket notebooks carried with him throughout the war long regarded as unreadable because of his often atrocious handwriting Pogue himself began expanding the diaries a few short years after the war with the intent of eventual publication At last this work is being published Supplemented with carefully deciphered and transcribed selections from his diaries the heart of the book is straight from the field Much of the material has never before seen print From D Day to VE Day Pogue experienced and documented combat on the front lines describing action on Omaha Beach in the Huertgen Forest and on other infamous fields of conflict He not only graphically yet also often poetically recounts the extreme circumstances of battle but he also notes his fellow soldiers innermost thoughts feelings opinions and attitudes about the cruelty of war As a trained historian Pogue describes how he went about his work and how the Army's history program functioned in the European Theater of Operations His entries from his time at the history headquarters in Paris show the city in the early days after the liberation in a unique light Pogue's War has an immediacy that much official history lacks and is a remarkable addition to any World War II bookshelf Franklin D Anderson Forrest Pogue's nephew by marriage is a longtime educator He lives in Princeton Kentucky
