Mothers and Soldiers Amy Caiazza,2002-09-27 As the Soviet communist regime gave way to democracy the emergence of an entirely new political and social landscape had the potential to turn Russian society upside down In Mothers and Soldiers Organizing Men and Women in 1990s Russia Amy Caiazza looks at the effects of this seismic change on gender roles and specifically the role of women in a newly democratic Russia By observing through a gendered lens institutions like the military and the process of making public policy Caiazza finds that despite the institutional disruption the pattern of gender role ideologies maintained continuity from the former times while at the same time embracing aspects of Western feminism

Finance 101: the Whiz Kid's Perfect Credit Guide Danny Singh,2012-11-14 No Credit Bad Credit Average Credit Just Want To Learn About Finance Well congratulations because you have found the right book Not even the table of contents can show all the lessons contained within this book meant to help consumers fight all types of financial problems just as Danny Singh fights for his mother including avoiding a foreclosure reclaiming a repossessed car fixing credit avoiding deceptive loans as well as checking accounts filled with fees and getting denied credit applications approved In response to the student loans crisis looming in America and as a community college student himself Danny advocates going to a community or state college and doing the maximum number of classes is the best financial decision that can be made versus getting into 100 000 of debt Without needing bogus and expensive credit repair agencies Danny will emphasize the most effective debt repayment plans and methods to save money on everyday purchases allowing for consumers to be debt free in months instead of years Besides student loan debt Danny expresses credit unions are the solution for consumers to effectively pay off any type of debt such as credit cards auto loans and mortgages Being free of debt will cause their insurance premiums to decrease and increase their chances of better employment In addition consumers will be able to enjoy lives free of bankruptcy Saving for retirement and other financial goals will be a breeze Despite the financial conditions of a consumer or the economy perfect credit is never impossible and Danny proves this in Finance 101 The Whiz Kids Perfect Credit Guide If the knowledge in this book does not boost your credit scores and bank account balances then feel free to return or sell it The purchase of this book is the only investment that is risk free but makes the most earnings

Letters Between Mothers and Daughters Barbara Caine,2018-02-02 There are now many studies of family letters in Europe but most of them focus on marital letters and letters between parents especially mothers and their sons Little attention has been paid to the letters to and from daughters This volume seeks to begin filling that gap by exploring the continuities and changes evident in the letters written between mothers and daughters over several centuries Some of these changes reflect the history of letters and the ways that they were written and delivered especially the move from the use of scribes and couriers in the medieval and early modern period which made both the writing and reading of letters a public affair to the use of pens and the situation in which letters were able to be written in private and read only by the person to whom they were addressed But the letters also reveal the

changing nature of the mother and daughter relationship as the formal and more distant ties evident in the early period in which dynastic and other matters were often more important to a mother than her daughter's personal happiness were replaced by closer and more intimate ties and a concern with particular personalities and individual needs This book was originally published as a special issue of *Women's History Review* **Migrant Letters** Marcelo J. Borges, Sonia Cancian, 2019-10-23 The migrant letter whether written by family members lovers friends or others is a document that continues to attract the attention of scholars and general readers alike What is it about migrant letters that fascinates us Is it nostalgia for a distant yet desired past Is it the consequence of the eclipse of letter writing in an age of digital communication technologies Or is it about the parallels between transnational experiences in previous mass migrations and in the current globalized world and the centrality of interpersonal relations mobility and communication then and now Influenced by methodologies from diverse disciplines the study of migrant letters has developed in myriad directions Scholars have examined migrant letters through such lenses as identity and self making family relations gender and emotions This volume contributes to this discussion by exploring the connection between the practice of letter writing and the emotional economic familial and gendered experiences of men and women separated by migration It combines theoretical and empirical discussions which illuminate a variety of historical experiences of migrants who built transnational lives as they moved across Europe Africa Latin America and the United States This volume was originally published as a special issue of *The History of Family Letters, Kinship, and Social Mobility in Nigeria* Olufemi Vaughan, 2023-08-15 In 2003 Olufemi Vaughan received from his ninety five year old father Abiodun a trove of more than 3 000 letters written by four generations of his family in Ibadan Nigeria between 1926 to 1994 The men and women who wrote these letters had emerged from the religious social and educational institutions established by the Church Missionary Society the preeminent Anglican mission in the Atlantic Nigerian region following the imposition of British colonial rule Abiodun recruited to be a civil servant in the colonial administration became the patriarch of a prominent family with historical roots in both West Africa and the Americas his family was the subject of articles in *Ebony* and *Jet* as well as in acclaimed histories Reading deeply in these letters Olufemi realized he had a unique set of sources that could be used to illuminate everyday life for this important segment of Nigerian society Letter writing was a dominant form of communication for western educated elites in colonial Africa especially in Nigeria Exposure and an altruistic sense of nationalism were among the factors that led people to begin exchanging letters particularly in their interactions with British colonial authorities Through careful textual analysis and broad contextualization Vaughan reconstructs dominant storylines including themes such as people's relationships with colonial authorities and bureaucracy ideas about faith and kinship nationalism and communal development Vaughan brings his prodigious skills as a historian to bear on this wealth of information bringing to life a portrait at once intimate and expansive of a community during a transformative period in African history **The Georgia of the North** Hettie V. Williams, 2024-07-12 The Georgia

of the North is a historical narrative about Black women and the long civil rights movement in New Jersey from the Great Migration to 1954 Specifically the critical role played by Black women in forging interracial cross class and cross gender alliances at the local and national level and their role in securing the passage of progressive civil rights legislation in the Garden State is at the core of this book This narrative is largely defined by a central question How and why did New Jersey s Black leaders community members and women in particular affect major civil rights legislation legal equality and integration a decade before the Brown v Board of Education Topeka Kansas decision In this analysis the history of the early Black freedom struggle in New Jersey is predicated on the argument that the Civil Rights Movement began in New Jersey and that Black women were central actors in this struggle *Love Letters to My Daughters and Granddaughters* Bryn Bass McCleary,2019-07-06 Autobiography of Bryn Bass McCleary This book is not just for my grandchildren This is for people who want to know about The inside scoop on Homeland Security and use of legal physical and weapon force What happens behind the scenes at the Board of Elections on election day Behind the scenes at the NYPD on election day How my daughters and I survived abuse child molestation and the corruption of the family court system Thoughts on religious denigration and the battle of the Christians across denominations The truth about health and fitness How your mind creates the perfect diet for you and your age Lessons learned from the wrong dating and career decisions how not to end up on welfare *Adult Children of Parental Alienation Syndrome: Breaking the Ties That Bind* Amy J. L. Baker,2010-03-01 An examination of adults who have been manipulated by divorcing parents Parental Alienation Syndrome PAS occurs when divorcing parents use children as pawns trying to turn the child against the other parent This book examines the impact of PAS on adults and offers strategies and hope for dealing with the long term effects *Hearings* United States. Congress. House. Committee on Education, **Concepts of Company Law** Anne Lafarre,Christoph van der Elst,2025-04-09 Employing detailed case studies and real world examples this accessible textbook presents a clear overview of the core concepts of company law The text will provide readers with a holistic understanding of the theoretical financial societal and practical aspects of company law *Hearings* United States. Congress. House,1969 **Wife Rape** Raquel Kennedy Bergen,1996-05-21 With expertise and sensitivity the author of this accessibly written volume addresses a real but long neglected problem the pain and humiliation of sexual assault suffered by many women at the hands of their partners Extensive gathering of personal testimony from survivors together with interviews with service providers bears witness to a lack of validation and insufficient assistance currently available for such women This volume gives hope to survivors and provides critical information for service providers to gain a better understanding of the seriousness of the problem Congressional Record United States. Congress,1998 *Notable Hispanic American Women* Diane Telgen,1993 Contains short biographies of three hundred Hispanic American women who have achieved national or international prominence in a variety of fields *Youth and Justice in Western States, 1815-1950* Jean Trépanier,Xavier Rousseaux,2018-02-05 This book explores the treatment of

juvenile offenders in modern Western history The last few decades have witnessed major debates over youth justice policies Juvenile and youth justice legislation has been reviewed in a number of countries Despite the fact that new perspectives such as restorative justice have emerged the debates have largely focused on issues that bring us back to the inception of juvenile justice namely whether youth justice ought to be more akin to punitive adult criminal justice or more sensitive to the welfare of youths This issue has been at the core of policy choices that have given juvenile justice its orientations since the beginning of the twentieth century It also gave shape to the evolution that paved the way for the creation of juvenile courts in the nineteenth century Understanding those early debates is essential if we are to understand current debates and place them into perspective Based on primary archival research this comprehensive study begins by presenting the roots birth and evolution of juvenile justice from the nineteenth century up to the beginning of the twenty first The second part deals with nineteenth century responses to juvenile delinquency in England and Canada while the third focuses on the welfare orientation that characterized juvenile courts in the first half of the twentieth century in Switzerland the Netherlands Germany and Belgium Finally the fourth part focuses on the perspective of the youths and their families in Belgium France and Canada

Public Stage Mary Kelley,2017-11-01 In the decades spanning the nineteenth century thousands of women entered the literary marketplace Twelve of the century s most successful women writers provide the focus for Mary Kelley s landmark study Maria Cummins Caroline Howard Gilman Caroline Lee Hentz Mary Jane Holmes Maria McIntosh Sara Parton Catharine Maria Sedgwick E D E N Southworth Harriet Beecher Stowe Mary Virginia Terhune Susan Warner and Augusta Evans

Wilson These women shared more than commercial success Collectively they created fictions that Kelley terms literary domesticity books that both embraced and called into question the complicated expectations shaping the lives of so many nineteenth century women Matured in a culture of domesticity and dismissed by a male writing establishment they struggled to reconcile public recognition with the traditional roles of wife and mother Drawing on the 200 volumes of published prose and on the letters diaries and journals of these writers Kelley explores the tensions that accompanied their unprecedented literary success In a new preface she discusses the explosion in the scholarship on writing women since the original 1984 publication of *Private Woman Public Stage* and reflects on the book s ongoing relevance **Army and Navy Register** ,1923

Country Life ,1911 *Emigrant Worlds and Transatlantic Communities* Elizabeth Jane Errington,2007 In the fall of 1831 Mrs McIndoe and her children left Scotland to join her husband William a labourer on the Rideau Canal When they arrived they discovered that William had already moved on forcing Mrs McIndoe to appeal to the public to help reunite her family As Elizabeth Jane Errington illustrates the nineteenth century world of emigration was hazardous *Emigrant Worlds and Transatlantic Communities* gives voice to the Irish Scottish English and Welsh women and men who negotiated the complex and often dangerous world of emigration between 1815 and 1845 Using information wanted notices that appeared in colonial newspapers as well as emigrants own accounts Errington illustrates that emigration was a family affair Individuals made their decisions within a matrix of kin and community their experiences shaped by their identities as husbands and wives parents and children siblings and cousins The Atlantic crossing divided families but it was also the means of reuniting kin and rebuilding old communities Emigration created its own unique world a world whose inhabitants remained well aware of the transatlantic community that provided them with a continuing sense of identity home and family
