{Date}

To whom it may concern,

I, {Your Name} is delighted to recommend {Name of the applicant} for the position of a Teacher in your school. I have been privileged enough to work with such an exceptional teacher, most importantly, a great human being. Mr /Ms, {Name of the applicant} has been working in our school for more than ten years now. As a colleague, he/she is very cooperative and well-behaved. I can assure you for his/her dedication and sincerity towards his/her job. He/she has been an integral part of the school since it was founded. His/her contributions to our school cannot be fathomed.

{Name of the applicant} is responsible for teaching {Name of the Subject} in {Name of the school}. It's because of his/her hard work and dedication, and our school has stopped the merit list with a maximum number of students achieving more than 95% in his/her subject. His/her teaching skills are commendable and one-of-its-kind. No wonder, he or she is the favourite of our students too.

As my co-worker, {Name of the applicant} has always been a helpful man/woman. Whenever in doubt, I used to rush to him/her, and he/she carefully listened to it and helped me through. He/she is indeed my mentor and source of inspiration. I greatly recommend him/her for the above said position because I believe he/she can contribute a lot to the school and the students.

I would be more than happy to help you with your queries if any. Please feel free to give me a call, as and when needed.

Writer shows how teachers can pursue and sustain personally and professionally worthwhile writing practices even amidst the many demands associated with teaching. It meets teachers wherever they are as novice teachers just beginning to pursue writing as teachers emerging from a professional development experience or as accomplished writers seeking to further their craft. Chapter by chapter the book provides strategies to help teachers get started on projects, build energy for writing, overcome obstacles of limited time, create support systems using online technologies and develop coherence across their writing lives. The text includes useful writing group routines, questions for framing collaborative inquiry, methods for adapting writing communities to online settings and rich examples of conversations and texts shared in actual teacher writing group meetings.

**Book Features:** Focuses on teacher writers and their actual experiences working together in a writing group including benefits and challenges. Includes vignettes taken from writing group meetings that demonstrate the variety of ways teachers may participate and engage in writing. Offers practical suggestions for teachers seeking to form writing groups including plans for online groups. Shares strategies to help teacher writers expand their concepts of writing to include everything from exploratory texts to professional and academic writing. An extremely important read for every teacher of writing, this book focuses on the development of ideas and the exploration of language and structure instead of formulaic routines. Here we see how teachers can locate or reawaken themselves as writers, bringing fresh language, literacy excitement and expertise into their classrooms.

Judith A. Langer, distinguished research professor, University at Albany.

Readers of Christine Dawson's new book might be surprised to find themselves in a novelistic world where the literary characters are women who through talk and writing act in and on their complex lives. They are teachers, yes, but they are also thoughtful mothers and daughters, wives and friends and ready companions. This is a newly liberated notion of a writing group of women who teach and a practical guide to those readers inspired to start their own group.
