New Selected Stories:

Selected Stories Volume Two Alice Munro, 2021 Covering the second half of Nobel Prize winner Alice Munro's career these are some of the best most touching and powerful short stories ever written Munro is still one of our most fearless explorers of the human being The Times Spanning her last five collections and bringing together her finest work from the past fifteen years this new selection of Alice Munro's stories infuses everyday lives with a wealth of nuance and insight Beautifully observed and remarkably crafted written with emotion and empathy these stories are nothing short of perfection A masterclass in the genre from an author who deservedly lays claim to being one of the major fiction writers of our time

New and Selected Stories Cristina Rivera Garza, 2022-04-12 A story collection drawn from across her career brings into English for the first time the extraordinary stylistic and thematic range of the Mexican writer and MacArthur genius Cristina Rivera Garza One of Mexico's greatest living writers wrote Jonathan Lethem in 2018 about Cristina Rivera Garza we are just barely beginning to catch up to what she has to offer In the years since Rivera Garza's work has received widespread recognition She was awarded a MacArthur Genius Grant for fiction that interrogates culturally constructed notions of language memory and gender from a transnational perspective and was a finalist for the 2020 National Book Critics Circle Award for Criticism Yet we have still only started to discover the full range of a writer who is at once an incisive voice on migration borders and violence against women as well as a high stylist in the manner of Lispector or Duras **New and Selected Stories** now brings together in English translation stories from across Rivera Garza's career drawing from three collections spanning over 30 years and including new writing not yet published in Spanish It is a unique and remarkable body of work and a window into the ever evolving stylistic and thematic development of one of the boldest most original and affecting writers in the world today

Selected Stories Katherine Mansfield, 2002 I was jealous of her writing The only writing I have ever been jealous of Virginia Woolf Virginia Woolf was not the only writer to admire Mansfield's work Thomas Hardy D H Lawrence and Elizabeth Bowen all praised her stories and her early death at the age of thirty four cut short one of the finest short story writers in the English language This selection covers the full range of Mansfield's fiction from her early satirical stories to the subtly nuanced comedy of *The Daughters of the Late Colonel* and the macabre and ominous *A Married Man's Story* The stories that pay what Mansfield calls a debt of love to New Zealand are as sharply etched as the European stories and she recreates her childhood world with mordant insight Disruption is a constant theme whether the tone is comic tragic nostalgic or domestic echoing Mansfield's disrupted life and the fractured expressions of Modernism This new edition increases the selection from 27 to 33 stories and prints them in the order in which they first appeared in the definitive texts established by Anthony Alpers
