The Flourishing Family

David Erickson, Amanda Erickson, 2024-09-17

When it comes to Christian parenting we crave confidence wisdom and most of all peace We pray for peace when our little ones are tossed about by waves of emotions for connection and confidence when navigating stressful mornings and exhausting nights and for wisdom in knowing how best to discipline our kids As Christian parents we re desperate to get it right to raise our children to be strong courageous followers of Jesus and yet despite the overload of endless advice at our fingertips we often feel completely and utterly lost You can become the parent Christ has called you to be and change your home and family from the inside out In The Flourishing Family Dr David and Amanda Erickson offer a new parenting perspective one that cultivates peace gentleness and confidence Deeply rooted in Scripture and backed by modern neuroscience as well as insight into child development their book will equip you to rethink common assumptions about what the Bible says about parenting and align your parenting approach with the teachings of Jesus and your identity in Him cultivate the inner peace needed to lead and guide your family with Christ and His grace at the center critically assess various gentle parenting principles through a Gospel lens so that you can respond to your child with understanding and patience honoring the divine image and unique personality God created them to have and use compassionate discipline as discipleship to focus on the heart behind your child s actions addressing the developmental or neurological roots of their behavior rather than merely correcting or punishing their actions or choices Your legacy is not defined by your parenting perfection but by your commitment to follow in the way of Jesus and to trust His Spirit to cultivate the seeds you re diligently planting throughout your children s lives Trust that He will meet you in these pages and that He will transform your hearts and home

The Ordinary Way Mark T.

Goodman, 2020-04-07 The ordinary things of life receive less than their fair share of attention Pastor Mark Goodman draws attention through humor story and scriptural texts to the benefits of appreciating more than just extraordinary achievements When a person ceases to recognize the value of good OK and ordinary he or she tends to devalue their own and others significance The Ordinary Way introduces the importance of the quest that seems countercultural Goodman connects the theme to the teachings of Jesus specifically those found in which He provides His view of how His followers were to read and follow the Ten Commandments and provide specific examples of how to live the ordinary life day to day Recognizing the variety of life events Goodman also addresses the subject of appreciating the extraordinary times of life as well as the less than ordinary times of life The Ordinary Way shows you how to appreciate all of life Welcome to the ordinary way of living
