Eschatology for the 21st-Century Church Michael J. Svelgel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with The Fathers on the Future as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this The Fathers on the Future uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean

premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology The Fathers on the Future includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective

The Meaning of Singleness Danielle Treweek, 2023-05-09 Drawing upon ancient and contemporary theologians Dani Treweek offers biblical historical cultural and theological reflections to retrieve a theology of singleness for the church today Far from being a burden she shows that singleness presents the church with a foretaste of the eschatological reality that awaits all of God's people

The Jesus You Really Didn't Know Andy Angel, 2019-09-09 The problem with too much Christianity today is that we replace the person of Jesus with a doctrine of grace Living in denial of Jesus teaching on judgment and holiness too many Christians take refuge from the sayings of Jesus in doctrines of forgiveness that they hope will bolster up their sense of self worth before God Andy Angel tackles this dysfunctional spirituality head on opening up the journey of learning and love into which the living Lord Jesus invites us all Unpacking the Gospel of Matthew he encourages us to rediscover the teaching ministry of Jesus in our own lives and in doing so to recover the riches and freshness of the gospel message and to rediscover the depths of love Jesus has for each one of us

The Publishers' Trade List Annual , 1875 **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access

through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
