News Commentary Essays Book II Charles Henderson, 2022-05-13 Dr Charles Henderson's newly released News Commentary Essays Book II Poignant Responses to Fourth Estate Rancor is a vivid collection of sociopolitical writings. The years 2014 to 2015 were significant in American history because they were filled with news stories about epic and sometimes controversial events. The presidential campaign began to slowly heat up and the news media reporters were caught flat footed when two inexperienced candidates Donald Trump and Ben Carson surprisingly jumped into the lead. The military conflict in the Middle East shifted to Syria causing the op ed foreign policy writers to berate President Obama for hesitating to enter into a third insurgency war. And last but not least the Supreme Court finally heard arguments on the constitutionality of overturning state bans on same sex marriage. That ruling both epic and controversial is expected to lead to the challenging of religious liberty. Henderson's Book II is an entertaining and insightful volume of over four hundred essays touching on all manner of complex political policies and social issues. It contains eighteen different topics arranged in chapters alphabetically from Drones to Women in the Military encompassing other chapters involving controversial subjects such as homosexuality, morality, race and social issues. Pursuit of the unbiased truth is the hallmark of this book's narratives. Published by Christian Faith Publishing, Dr Henderson's new book is a grippingly eloquent and mind broadening work of educated opinion with many of the essays written in response to the rather conservative op ed pieces in the liberally inclined Washington Post. In his writings Henderson offers a rare mind of clarity along with a serene strength of conviction secure in his foundation in God's Word amid the raging din of the modern world's political drama and ethical battlefields. **News Commentary Essays -**

Poignant Responses to Fourth Estate Rancor. Charles Henderson, 2019-01-04 The years 2013 to 2015 were significant in American history because they were filled with news stories about epic and sometimes controversial events. Those include the wars in Afghanistan and Iraq coupled with the Republicans' relentless criticism of Obama's handling of the same, the Supreme Court's ruling in favor of same sex marriage which produced an unprecedented social upheaval and most importantly the Edward Snowden affair which resulted in the unauthorized release of US top secret documents that caused incalculable damage to America's national security. In the midst of it all was The Washington Post, a widely recognized newspaper with liberal leanings but mostly conservative syndicated op ed columnists. Charles Henderson, a creative writer with a strong grounding in biblical scripture, challenges many of The Post's articles, op eds and editorials by means of his book titled News Commentary Essays Poignant Responses to Fourth Estate Rancor. This book contains over four hundred essays covering eighteen topics including religion, foreign and domestic policy, politics, same sex marriage, morality, etc. The author's goal is to entertain and yet bring reasoned insight into complex political policy and social issues, many of which could be solved by a search of a biblical scripture. **The Structured Essay** Mary Michael Spangler, Rita Werner, 2002-03-18 **Real Essays**
