Double-Takes David R. Jarraway, 2013-05-25 Over the past forty years Canadian literature has found its way to the silver screen with increasing regularity Beginning with the adaptation of Margaret Laurence's *A Jest of God* to the Hollywood film *Rachel Rachel* in 1966 Canadian writing would appear to have found a doubly successful life for itself at the movies from the critically acclaimed *Kamouraska* and *The Apprenticeship of Duddy Kravitz* in the 1970s through to the award winning *Love and Human Remains* and *The English Patient* in the 1990s With the more recent notoriety surrounding the Oscar nominated *Away from Her* and the screen appearances of *The Stone Angel* and *Fugitive Pieces* this seems like an appropriate time for a collection of essays to reflect on the intersection between literary publication in Canada and its various screen transformations This volume discusses and debates several double edged issues the extent to which the literary artefact extends its artfulness to the film artefact the degree to which literary communities stand to gain or lose in contact with film communities and perhaps most of all the measure by which a viable relation between fiction and film can be said to exist in Canada and where that double life precisely manifests itself if at all This book is published in English **The Call of the Weird** Louis Theroux, 2025-05-01 No it doesn't get much weirder than this Thor Templar Lord Commander of the Earth Protectorate who claims to have killed ten aliens Or April the Neo Nazi bringing up her twin daughters Lamb and Lynx who have just formed a white power folk group for kids called Prussian Blue and her youngest daughter Dresden For a decade now Louis Theroux has been making programs about offbeat characters on the fringes of U S society Now he revisits the people who have most intrigued him to try to discover what motivates them and why they believe the things they believe From his Las Vegas base where else Theroux calls on these assorted dreamers schemers and outlaws and in the process finds out a little about the workings of his own mind What does it mean after all to be weird or to be yourself Do we choose our beliefs or do our beliefs choose us And is there something particularly weird about Americans America prepare yourself for a hilarious look in the mirror that has already taken the rest of the English speaking world by storm Paul Theroux's son writes with just as clear an eye for character and place as his father And he's funny Theroux's final analysis of American weirdness
