

The background of the entire cover is a painting of a child with long brown hair and a purple shirt, sitting on a sandy beach and looking out at the ocean. A large, bright full moon is in the top left corner. The sky is a deep blue with white clouds and several white starfish. The ocean has white-capped waves. A small orange and black butterfly is flying in the air above the child. The title 'Sally' is written in a large, glowing, light blue cursive font across the top. Below it, the subtitle 'And The Wheel of The Year' is written in a smaller, elegant, gold-colored cursive font. The author's name 'Chantal Soenen' is printed in a simple white sans-serif font in the center of the cover.

Sally And The Wheel Of The Year:

Sally Chantal Soenen,2012-10-24 When I started my studies and learned about the goddess my daughter always wanted to hear the stories about the goddesses over and over and so Sally came alive Sally is a girl of ten with a strong character She always wants things to happen her way and never considers how other people feel She has her own friends who are her fairies and for that reason she doesnt have a lot of friends at school because other children find her strange with those fairy tales And then there is also her bossy way of being So she has to learn still a lot from life But these lessons she will not learn at school or at home but at her secret isle where she will receive the help of some lovely friends She travels to this isle during the night on a moonbeam and when she arrives there some friends are waiting for her These friends are her companions and guides on the islea big gray cat known by the name Bulby and a flower fairy Germaine The three of them will have a lot of adventures together During one year Sally will travel there and will meet nine goddesses and will learn more about the nature of all that happens during a year and most important of all she will learn some very important lessons of life about friendship respect and even love During this year she will celebrate different feasts with dwarfs gnomes pixies and fairies She will fly on a dragon dance around a fire and dive into the ocean with dolphins and seals But most important of all she will have a great time
