Dear [Recipient's Name],

I hope this letter finds you well. I am writing to inform you of my decision to resign from my membership at [Church Name] effectively [resignation date]. Firstly, I want to express my gratitude and appreciation for the experiences and support I have received during my time as a member of this church community.

The friendships I have formed, the spiritual growth I have experienced, and the memories created will always hold a special place in my heart. I am truly grateful for the opportunities to serve and be a part of this loving community.

While it is difficult for me to leave, I believe it is the right time for me to explore different paths in my spiritual journey. Although our paths diverge, I will always cherish the values and teachings I have learned here.

I want to offer my assistance during the transition process, should you require it. Whether it is introducing the new member to the community or helping with any necessary paperwork, I am more than willing to support a smooth transition.

Once again, thank you for your guidance, teachings, and the warmth of the community. I sincerely appreciate everything this church has offered me. I wish you and the congregation continued growth and success in the future.

Sincerely,

Moving On---Moving Forward Michael Anthony, Mick Boersma, 2009-05-26 For most pastors and church staff members gone are the days of serving at the same church for twenty or thirty years What s more the landscape of pastoral hiring has changed with the advent of more sophisticated search committees the Internet and professional search firms But the fine art of changing churches or moving to a new career isn t something most of us learned in seminary Whether you are searching for your first position or are a seasoned veteran wrestling with if when and how to move on Moving On Moving Forward will help you navigate the ins and outs of the ministry employment maze Based on research with nearly 200 pastors who themselves have gone through transitions in ministry this book uniquely addresses the needs of people in ministry It deals with the crucial and sometimes painful emotional and familial issues involved in ministry transition And it is immensely practical and informed by many real life examples Topics covered include dealing with search committees writing a letter of resignation preparing a resume negotiating compensation and more Includes charts and worksheets The Congregationalist and Christian World ,1902 **When a Pastor Search Committee Comes-- Or Doesn't** J. William Harbin,1985 **The Watchman-examiner** ,1926 Is Mormonism Now Christian? Steven A. Crane,2010-01-01 For years Mormonism has taught that all the creeds of Christianity were an abomination and all other churches were corrupt Pearl of Great Price Joseph Smith 1 19 Joseph Smith was told not to join with any of them but to help lead in what would be a restoration of the true church In the same way Christianity has never accepted Mormons among their ranks considering them teachers of a different gospel Galatians 1 6 But a new ecumenical spirit of openness might suggest that the doctrinal distance between these two groups is shrinking Are the two sides actually moving closer together Is there significant change within the ranks of Mormonism If so is the change widespread Does this new direction reflect the views of the leadership or is it simply the belief of a few Worse yet is it a deceptive media ploy on behalf of the Church of Jesus Christ of Latter day Saints LDS to appear to be something it is not This work is a fresh new look at the distinctives between Christianity and Mormonism in an attempt to answer the question Is Mormonism Now Christian House of Faith House of Cards Eric N. Davis,2010-05 Concise Vivid Honest Dan Barker critically acclaimed author of Godless and Losing Faith in Faith Brutally honest insightful and compelling storytelling Lyndon Lamborn author of Standing for Something More When a young couple searched for clues connecting them to a famous ancestor their journey led them on a path they never expected converting to Mormonism House of Faith House of Cards tells the turbulent life story of their son Eric including all the typical Mormon experiences and some extraordinary episodes no Mormon will ever encounter He participated with family members in his first secret temple ritual normally reserved for adults at the age of four only to be excluded from a similar ceremony involving his family thirteen years later In 1857 a company of 120 immigrants set out from a small Arkansas town toward California In a tragic twist of fate they never reached their destination While encamped in southern Utah local Mormons and

Paiute Indians launched an ambush brutally slaughtering the group in what became known as the Mountain Meadows massacre 125 years later Eric would be raised as a Mormon in the same Arkansas community where this wagon train initially departed There he learned just how much some people still despised that faith While training for and serving a church mission in Canada in the mid 1990s Eric shared a room and became acquainted with a fellow missionary named Mark Hacking Less than a decade later when the disappearance and murder of Hacking s wife became highly publicized several international media outlets approached Eric searching for any juicy detail of the man s troubled past These stories are just the tip of the iceberg
