The door flew open and slammed against the adjacent wall. The room was dark and all I could make out were figures and the noise of chatter and children crying. As my eyes adjusted to the sharp contrast in darkness from the blaring sun outside, I made my way to the counter. "Sign in," said a voice and I looked down to see a chewed up pin and a pile of ripped up pieces of paper, on which I wrote my name and date of birth.

The voice came out again "have a seat; we'll call you when we're ready." I turned to see a room, no bigger than a two bedroom apartment, full of young women and children of various ages. I took a seat and waited for my turn to be seen at my local health department.

web i have created using microsoft publisher 2003 an editable running records form you ll see that you can type the story in
the blank and at first there will be significant spacing but that is part of the settings once the full sentence is typed it will
appear normal i am sorry that this has been listed as a word document
