Broadway site of today's Columbia University was the Upper West Side's prime tourist attraction. By the turn of the twentieth century the fashionable West End as the neighborhood was then known boasted extravagant mansions and private homes, grand parks and equestrian boulevards and its own unique theatrical and night life. Author Peter Salwen chronicles those high living years and the half century of inexorable decline that followed with its poverty and often sensational crime and brings us up to date with a lively account of the 1980s galloping renaissance. This book is living history, an unfinished story generously illustrated with vintage engravings and photos of the buildings and people great and humble, those still with us and those that are no more. Also included are special walking tours to suit all levels of ambition and energy and a who's who of famous and infamous residents and where they lived.
