No-Fault Law and Practice Lawrence N. Rogak, 2009 THE FIRST EVER COMPREHENSIVE GUIDE TO NEW YORK NO FAULT PRACTICE 2009 Edition Hundreds of New Case Reports Rogak's New York No Fault Law Practice By Lawrence N. Rogak No Fault litigation is a Frankenstein monster that has assumed a life force of its own becoming so unmanageable and uncontrollable that it acts out in ways never envisioned by its creator Judge Charles J. Markey. And 25% of all lawsuits in the New York City Civil Court system are no fault suits. The No Fault regulations are complex, difficult to understand and they leave many questions unanswered requiring New York claims examiners, lawyers and judges to make decisions every day for which there is no clear guidance in the law. And yet despite the enormous size, scope and complexity of No Fault practice there has never been a published guide for those who struggle with this field. Until now Lawrence N. Rogak is a New York attorney with over 25 years experience in insurance law practice. A prolific writer he has published hundreds of articles on insurance law practice and a previous book Rogak's New York Insurance Law. He is the managing partner of Lawrence N. Rogak LLC, an insurance defense law firm in Oceanside, New York, which is listed in Best's Recommended Insurance Attorneys. Mr. Rogak has painstakingly organized No Fault practice into 90 distinct topics with hundreds of sub-topics all arranged in alphabetical order. For every topic he has provided statutes and case law with the closest thing to a definitive answer for the questions that arise under each topic. Plus he adds his own commentary and suggestions. For any lawyer, arbitrator, claims examiner or judge involved in No Fault practice their copy of Rogak's New York No Fault Law Practice will become their best friend and companion, a road map through dark and uncharted territory. The Lady Believed To Be From England Patrick Emre,2009-08-19 The Lady Believed to be from England is a dramatic story set in the stunningly beautiful island of Cyprus More than just another murder mystery with some dodgy dealings perpetrated by the Cyprus Judiciary Firstly that authority s failure to recognise a sinister piece of corruption collusion and treachery under its nose Eventually that same authority s realisation of the hurt felt by those who were the innocent victims It tells that story of a Cyprus born lady so much loved by all who meet her and how against all odds she has pulled about her a great sense and an even greater ability to help others to hold up their heads There is much to know about her and her family from her late husband and those of her second husband It was this larger than life fellow who recognised the seeds of greatness within her and set about culturing these until they blossomed into an even more marvellous bloom than he had perceived There are many sides to learn of this vibrant man who laughs when others might cry and creates an aura around him which others want to share Their blissful life together appears to be something of Utopian proportions and seemed untouchable However their love for each other and life in general is about to be shrouded in the darkest clouds containing a mixture of criminal injury corruption and authoritarian negligence Now the great resolve they had always previously displayed would be tested to the utmost Throughout this book there are several digressions which should be thoroughly enjoyed These are not simply meant as space fillers but are solely intended to provide the reader with an insight into the lives of the families and characters I am sure you will find it interesting and at times very amusing I must thank my good friend Maggie Muir for her assistance in piecing the story together and my darling wife who patiently listened for twenty years of promises that one day I d write a book
