afternoon See it does not rain so very fast and I am sure that cloak must be waterproof Do go and fetch her Max and tell her that I am shut in with a bad cold and want to be amused Stay I had better write to Mrs O Ryan It is hardly civil not to explain to her that I am unable just now to call upon her and Max you can take down the new Contemporary she might like to see it said Mrs Hereford turning from her embroidery frame to a cosy little writing table that stood by the hearth The mother and son were not unlike each other About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Poor Fish* Heide Helene Beisert,1982
