**Pope Francis** Francis, Carol Kelly-Gangi, 2014      Sacrifice in Judaism, Christianity, and Islam David L. Weddle, 2017-09-19 Common features of sacrifice Theories of sacrifice Sacrifice in Jewish tradition Sacrifice in Christian tradition Sacrifice in Islamic tradition      The Great Conversation Belden C. Lane, 2019 In the face of climate change species loss and vast environmental destruction Belden C Lane s spiritually centered environmentalism suggests that we must look to teachers in nature to understand how to save ourselves Pairing anecdotes of personal encounters with nature with the teachings of spiritual leaders from a range of religious traditions this book invites us to participate once more in the great conversation among all creatures and the earth itself      **Reading, Praying, Living Pope Francis's The Joy of Love** Julie Hanlon Rubio, 2017 This guide is designed to help readers work through Pope Francis s apostolic exhortation by providing necessary context or back story highlight key points front story suggestions for prayer and reflection questions about what it means to live out the Christian vision of marriage and family Since it assumes no background knowledge Reading Praying Living Pope Francis s The Joy of Love is an ideal resource for adults married couples students and faith formation groups This is the most extensive and helpful commentary on the encyclical available anywhere It does not include the full text of the encyclical      **Costly Love** John H. Armstrong, 2018-06-30 John Armstrong knows from personal experience how easy it is to put too much emphasis on correct teaching in our experience of church and how easily we lose sight of the love on which Christ built his church when we do so In Costly Love Armstrong acknowledges the importance of doctrine and theological discussion in the church but he urges Christians to focus first on whether we are following Jesus new commandment to love as he loved Our actions of love will begin to bring us closer to unity with one another and with God      *The Miracle of Man* Jim Howard, 2017-01-31 What Is a Man Biologically we are animals homo sapiens But men are different born with consciousness reason free will notions of morality and other characteristics of what we call human nature Why are we different Were we created by God or are we just accidents of nature Are you a child of the King or just a child of King Kong This is a book of apologetics for laypeople It looks at arguments for the existence of God and especially at those arguments that can be drawn from human nature It argues in plain language with illustrations and humor that we cannot explain human nature without God that men are miracles      *Archbishop Romero and Spiritual Leadership in the Modern World* Robert S. Pelton, 2015-06-09 Archbishop Romero and Spiritual Leadership in the Modern World presents a contemporary and integrated understanding of one of the most remarkable pastoral leaders of our time This bishop Oscar Romero of El Salvador experienced deeply the overwhelming sufferings of the Salvadoran people as well as those within himself He cried out in vain to Presidents Carter and Reagan no more arms to El Salvador but his pleas were not heard at that time Knowing that he would soon be murdered Romero promised that he would rise again in the Salvadoran people This book illustrates how this is happening and conclusively demonstrates that by respecting transparency and with dogged perseverance a

nonviolent public leader can become an influential leader even in times of the most savage repression and marginalization Archbishop Romero accomplished precisely that through determination courage and honing his public skills while simultaneously conducting himself in deeply spiritual ways

**Sacred Sustainability, Polyhedral Christianity and Cosmic Challenges** Jojo M. Fung, 2025-03-31 This book explores the concept of Polyhedral Christianity that has the capacity to embrace the inter multicultural religious complexities of our contemporary world taking inspiration from Pope Francis use of the image of a polyhedron The author suggests that Polyhedral Christianity calls for an Enspirited Leadership This spirit driven leadership is grounded in creational pneumatology and cosmicism to promote resilient religiocultural communities that enjoy a more relational harmony of all life forms on Earth conscious of an interdependent interconnected oneness in the sacred web of life in the cosmos creation The chapters engage with indigenous notions of sacred sustainability from the primal as well as the Buddhist Hindu and Islamic religious traditions This innovative corpus will be of particular interest to the scholars of theology theologians of the World Christianity and interreligious relations

**The Sacredness of Human Life** David P. Gushee, 2013-01-14 This authoritative book is the most comprehensive examination ever of the sacredness of human life Never before has one volume explored this subject in such a multifaceted way encompassing biblical roots theological elaborations historical cases and contemporary ethical perspectives Tracing the concept of the sacredness of human life from Scripture through church history to the present day David Gushee argues that viewing human life as sacred is one of the most precious legacies of biblical faith albeit one that the church has too often failed to uphold Besides providing a masterful historical survey Gushee's discussion covers the many current ethical challenges and perspectives that will impact the survival and flourishing of human life including biotechnology the death penalty abortion human rights nuclear weapons just war theory women's rights and creation care Gushee's Sacredness of Human Life is a game changing book that will set the standard for all future discussions of this key ethical concept

*St. Francis of Assisi* Jon M. Sweeney, 2019-10-01 An introduction to St Francis's life and his most profound teachings of faith St Francis of Assisi is one of the most venerated Christian figures and his profound teachings deep love of nature and commitment to simplicity have resonated with generations of followers St Francis of Assisi the latest title in the Essential Wisdom Library offers a simple and universal introduction to Francis's life his key teachings and the spiritual practices that enriched his faith and the lives of those who follow his legacy Author Jon M Sweeney one of the most popular Francis interpreters introduces the iconic Christian as a man of his time and as one whose wisdom transcends eras Beginning with a timeline of the saint's life St Francis of Assisi includes the teachings that made Francis such a unique and powerful figure His words apply to a diverse set of situations from advice for people in positions of power to teachings on gratitude and the Rule of Life which governed every facet of life for Franciscans The book concludes with explanations of some of his most powerful practices which can offer wisdom and insight for our own lives St Francis emphasized the importance of living a simple truthful life making his
