### **Strategic Review of the Egyptian Goodwill Committee Advancing child-friendly justice in Egypt**

OECD,2024-10-02 The Goodwill Committee is an Egyptian governance body established within the Ministry of Justice to facilitate the amicable resolution of international parental child abduction cases Its primary mission is to protect individual rights and promote global co operation This report evaluates the Committee s mandate and composition to help Egypt promote child friendly justice and ensure that the best interests of children are embedded in Committee processes To support comprehensive reform the OECD assessment and recommendations focus on three areas improving existing governance considering multilateral ratification and developing mechanisms to address systemic barriers and deter the occurrence of cases *A Comprehensive Guide to Child Custody Evaluations: Mental Health and Legal Perspectives* Joanna Bunker Rohrbaugh,2007-11-26 n order to assist families embroiled in child custody disputes Ithe courts order thousands of child custody evaluations each year Some of these evaluations are brief problem focused asse ments aimed at quickly resolving a specific area of dispute Other evaluations are more comprehensive covering all aspects of family functioning in complex cases The process of ordering conducting or assessing either type of child custody evaluation requires a clear understanding of how legal and psychological issues are int twined in each case This book is designed to meet this need for a

comprehensive guide that combines legal information and forensic procedures with the social science research that must be the basis for all custody recommendations and decisions The book should be helpful to three separate but related groups of experienced professionals a family and probate judges b family practice attorneys and c forensic mental health professionals Before they can order a custody evaluation and use the information it provides judges must have a clear understanding of how to integrate clinical information about each family with the related social science research This book will also enable judges to assess each custody report in terms of a the professional and legal guidelines for conducting custody evaluations and b research based criteria in each area of family functioning The text and CD also offer examples of how best to write orders for custody evaluations and detailed parenting plans that address the issues in each family

**Parents with Mental and/or Substance Use Disorders and their Children, volume III** Anja Wittkowski, Joanne Nicholson, Jean Lillian Paul, Geneviève Piché, 2025-07-30 Families living with parental mental and or substance use disorders continue to face considerable biopsychosocial challenges with complex pathways to mitigating risk enhancing resilience and supporting recovery An ecological life span approach to improving outcomes for all family members infants children adolescents and adults who are parents requires careful consideration of sociocultural conditions life stages and developmental ages alongside family focused needs goals and plans In addition community contexts policy developments and practice innovation play roles in contributing to the wellbeing and functioning of all family members The risk conveyed to all family members by parental mental and or substance use disorders is great Fortunately the opportunities to intervene are plentiful and varied However in many cases interventions are unspecified untested and not brought to scale in regional state or national initiatives We may have the requisite knowledge to inform policy and practice but this evidence may not be applied to effect innovation or change suggesting the need for widespread knowledge translation and dissemination efforts with significant potential to improve public mental health

**Childhood Sexuality** Theo Sandfort, 2013-04-15 What is normal sexual behavior in a child Childhood sexuality is an often neglected field in sex research There is very little literature about what one might call normal child sexual behavior The existing literature on child sexuality gives the impression that the only way in which children figure in sexological research is as objects of sexual abuse The child as a subject learning about sexuality and capable of experiencing sexual pleasures doesn't seem to exist in scholarly papers Childhood Sexuality Normal Behavior and Development does not focus on sexual abuse but instead deals with what can be described as normal sexual behavior and development in children under age 12 This valuable book offers information about the relationship between age and sexual development both mental and physical in both males and females Childhood Sexuality Normal Behavior and Development explores several issues including what children ages two to six think or know about sexuality the ways that children learn about sexuality and procreation the process of body discovery among children what normal sexual behaviors to expect in children of various ages the importance of growing up in a positive environment the differences in sexual development

between children of the same age and gender ways to get honest answers from children and parents about sexuality Comprehensive and enlightening Childhood Sexuality examines the difficulties of gathering this information from children and gives insight into questions that need to be answered in the future This guide delivers a diverse look at the complex and intriguing topic of normal child sexuality and the progress that is being made in this area of research

Advances in Communication Research to Reduce Childhood Obesity Jerome D. Williams, Keryn E Pasch, Chiquita A. Collins, 2013-02-12 Rates of childhood obesity are alarmingly high and increasing each year Studies have shown that obese children are more likely to become obese adults and are likely to suffer with numerous health consequences like coronary heart disease high blood pressure and Type II diabetes among others Studies also indicate that television viewing and exposure to advertising for food products influences children's attitudes toward food preferences and food purchase requests for foods with low nutritional value It is important to better understand the role of media in childhood obesity and to learn how media may be used to address this issue in a positive way This book focuses on communication and media research that can have an impact on reducing childhood obesity Emphasis is placed on topics related to how the media communicate health related messages about food nutrition and diet that influence childhood obesity Particular emphasis is on the new media given the fact that media now have more central roles in socializing today's children and youth than ever before Advertising and marketing messages reach young consumers through a variety of vehicles broadcast and cable television radio magazines computers through the Internet music cell phones and in many different venues homes schools child care settings grocery stores shopping malls theaters sporting events and even airports In addition given the disparity in obesity rates between children of color and the general population special attention is given to research on media targeting these populations **Canadian Journal of Psychiatry**, 1985 *National Health and Nutrition Examination Survey*, 2013

**INDONESIAN WOMEN AND THEIR UNIQUE TRANSNATIONAL MIGRATION EXPERIENCES IN MALAYSIA**

MASHITAH HAMIDI, 2017-01-01 This book explores the migration processes and experiences of female labour migrants from Indonesia to Malaysia's manufacturing sector Their stories depict labour migration as a process shaped by the intersection of

external structural forces and individual desires and motivations Labour migration was valued and evaluated as an investment one that was calculated not only in terms of financial security but also in relation to personal rewards and experiences unavailable to them at home These labour migrants negotiated a number of externally imposed demands and conditions ranging from migration regulations the challenges of settlement in a new city factory floor relations and the negative stereotypes attached to female Indonesian migrant workers in Malaysia Such constraints did not simply result in their sense of victimisation as the interviews revealed the women s capacity to resist negotiate and comply with such factors The book distinguishes between two groups of migrants inexperienced first time migrants and experienced repeat migrants
