North West University 2016 Prospectus:

Bright Star in the Present Prospect Ian Dunn, 2015-10-19 An illustrated history of the University of Chester charting its progress from the foundation as Chester Diocesan Training College in 1839 to the achievement of university status in 2005 and subsequent consolidation as a leading higher education institution in the region **Self-Tracking** Btihaj

Ajana, 2017-10-01 This book provides an empirical and philosophical investigation of self tracking practices In recent years there has been an explosion of apps and devices that enable the data capturing and monitoring of everyday activities behaviours and habits Encouraged by movements such as the Quantified Self a growing number of people are embracing this culture of quantification and tracking in the spirit of improving their health and wellbeing The aim of this book is to enhance understanding of this fast growing trend bringing together scholars who are working at the forefront of the critical study of self tracking practices Each chapter provides a different conceptual lens through which one can examine these practices while grounding the discussion in relevant empirical examples From phenomenology to discourse analysis from questions of identity privacy and agency to issues of surveillance and tracking at the workplace this edited collection takes on a wide and yet focused approach to the timely topic of self tracking It constitutes a useful companion for scholars students and everyday users interested in the Quantified Self phenomenon **The Outlaw Ocean** Ian Urbina, 2019-08-20 NATIONAL BESTSELLER

A riveting adrenaline fueled tour of a vast lawless and rampantly criminal world that few have ever seen the high seas There are few remaining frontiers on our planet But perhaps the wildest and least understood are the world's oceans too big to police and under no clear international authority these immense regions of treacherous water play host to rampant criminality and exploitation Traffickers and smugglers pirates and mercenaries wreck thieves and repo men vigilante conservationists and elusive poachers seabound abortion providers clandestine oil dumpers shackled slaves and cast adrift stowaways drawing on five years of perilous and intrepid reporting often hundreds of miles from shore Ian Urbina introduces us to the inhabitants of this hidden world Through their stories of astonishing courage and brutality survival and tragedy he uncovers a globe spanning network of crime and exploitation that emanates from the fishing oil and shipping industries and on which the world's economies rely Both a gripping adventure story and a stunning expos this unique work of reportage brings fully into view for the first time the disturbing reality of a floating world that connects us all a place where anyone can do anything because no one is watching **The Corporation as a Protagonist in Global History, c. 1550-1750**

, 2018-12-10 William A Pettigrew and David Veevers put forward a new interpretation of the role Europe's overseas corporations played in early modern global history recasting them from vehicles of national expansion to significant forces of global integration Across the Mediterranean Atlantic Indian Ocean and Pacific corporations provided a truly global framework for facilitating the circulation movement and exchange between and amongst European and non European communities bringing them directly into dialogue often for the first time Usually understood as imperial or colonial

commercial enterprises The Corporation as a Protagonist in Global History reveals the unique global sociology of overseas corporations to provide a new global history in which non Europeans emerged as key stakeholders in European overseas enterprises in the early modern world Contributors include Michael D Bennett Aske Laursen Brock Liam D Haydon Lisa Hellman Leonard Hodges Emily Mann Simon Mills Chris Nierstrasz Edgar Pereira Edmond Smith Haig Smith and Anna Winterbottom

The Oxford Guide to Australian Languages Claire Bowern,2023-06-19 The Oxford Guide to Australian Languages is a wide ranging reference work that explores the more than 550 traditional and new Indigenous languages of Australia Australian languages have long played an important role in diachronic and synchronic linguistics and are a vital testing ground for linguistic theory Until now however there has been no comprehensive and accessible guide to the their vast linguistic diversity This volume fills that gap bringing together leading scholars and junior researchers to provide an up to date guide to all aspects of the languages of Australia The chapters in the book explore typology documentation and classification linguistic structures from phonology to pragmatics and discourse sociolinguistics and language variation and language in the community The final part offers grammatical sketches of a selection of languages sub groups and families At a time when the number of living Australian languages is significantly reduced even compared to twenty year ago this volume establishes priorities for future linguistic research and contributes to the language expansion and revitalization efforts that are underway

A Legacy of Exploitation Susan Dianne Brophy,2022-05-15 It is unlikely that buyers of the Hudson s Bay Company s iconic multistripe point blanket these days reflect on the historically exploitative relationship between the company and Indigenous producers This critical re evaluation of the company s first planned settlement at Red River uncovers that history As a settler colonialist project par excellence the Red River Colony was designed to undercut Indigenous peoples troublesome autonomy and better control their labour Susan Dianne Brophy upends standard historical portrayals by foregrounding Indigenous peoples autonomy as a driving force of change A Legacy of Exploitation offers a comprehensive account of legal economic and geopolitical relations to show how autonomy can become distorted as complicity in processes of dispossession Ultimately this book challenges enduring yet misleading national fantasies about Canada as a nation of bold adventurers

Cold War Museology Jessica Douthwaite,Holger Nehring,Samuel J.M.M. Alberti,2024-11-27 Cold War Museology is the first volume to bring together interdisciplinary and international contributions from leading practitioners and academics specialising in Cold War museology Bringing the most recent historiography of the Cold War into conversation with museological theory and practice chapters within the volume analyse the current condition of Cold War museology By unpicking some of the unique challenges facing museum specialists dealing with the Cold War this book takes a lead in developing the collection display and interpretation of this history The chapters question what makes a Cold War object address the complexity of Cold War time face up to questions of Cold War race gender and imperialism and reveal how to materialise the Cold War imaginary in museums Most importantly perhaps the volume demonstrates that a consideration of the interconnecting forces of global twentieth century history enables experts to add important complexity and nuance to the narratives with which they work and improve visitor understandings through innovative interpretations Cold War Museology will encourage readers towards a more nuanced holistic and inclusive approach to Cold War materiality in museums It will be of great interest to academics museum professionals and students engaged in the study of museums heritage and the Cold War as well as those with an interest in archaeology media culture and memory *Colonial Mississippi* Christian Pinnen,Charles Weeks,2021-03-02 Colonial Mississippi A Borrowed Land offers the first composite of histories from the entire colonial period in the land now called Mississippi Christian Pinnen and Charles Weeks reveal stories spanning over three hundred years and featuring a diverse array of individuals and peoples from America Europe and Africa The authors focus on the encounters among these peoples good and bad and the lasting impacts on the region The eighteenth century receives much deserved attention from Pinnen and Weeks as they focus on the trials and tribulations of Mississippi as a

colony especially along the Gulf Coast and in the Natchez country The authors tell the story of a land borrowed from its original inhabitants and never returned They make clear how a remarkable diversity characterized the state throughout its early history Early encounters and initial contacts involved primarily Native Americans and Spaniards in the first half of the sixteenth century following the expeditions of Columbus and others to the large region of the Gulf of Mexico More sustained interaction began with the arrival of the French to the region and the establishment of a French post on Biloxi Bay at the end of the seventeenth century Such exchanges continued through the eighteenth century with the British and then again the Spanish until the creation of the territory of Mississippi in 1798 and then two states Mississippi in 1817 and Alabama in 1819 Though readers may know the bare bones of this history the dates and names this is the first book to reveal the complexity of the story in full to dig deep into a varied and complicated tale

Enthusiasms and Loyalties

Keith Shepherd Grant, 2022-11-15 The Enlightenment Atlantic was awash in deep feelings People expressed the ardour of patriots the homesickness of migrants the fear of slave revolts the ecstasy of revivals the anger of mobs the grief of wartime the disorientation of refugees and the joys of victory Yet passions and affections were not merely private responses to the events of the period emotions were also central to the era's most consequential public events and even defined them In *Enthusiasms and Loyalties* Keith Grant shows that British North Americans participated in a transatlantic swirl of debates over emotions as they attempted to cultivate and make sense of their own feelings in turbulent times Examining the emotional communities that overlapped in Cornwallis Township Nova Scotia between 1770 and 1850 Grant explores the diversity of public feelings from disaffected loyalists to passionate patriots and ecstatic revivalists He shows how certain emotions especially enthusiasm and loyalty could be embraced or weaponized by political and religious factions and how their use and meaning changed over time Feelings could be the glue that made loyalties stick or a solvent that weakened community bonds Taking a history of emotions approach *Enthusiasms and Loyalties* aims to recover and understand the wide range of political and religious emotions that were possible feelable in the Enlightenment Atlantic

The Puzzle of the American Economy

Mark A. Pisano, 2017-03-09 Exploring how sweeping demographic changes have resulted in the ineffectiveness of recent monetary and fiscal policies this book identifies corrective actions that will start to reverse the trends of low economic growth and widespread government deficits The field of demographics does not focus on the economic impacts and the funding issues resulting from demographic change Similarly economics does not take into account demographic changes The omissions in both fields are negatively impacting the nation income reductions caused by demographic changes that have not been accounted for are so large that current fiscal policies are not able to mitigate them *The Puzzle of the American Economy How Changing Demographics Will Affect Our Future and Influence Our Politics* exposes the factors that are undermining the nation's prospects for improving the rate of economic growth and keeping up with citizens' needs for government provided services Author Mark A. Pisano explains the hidden drag on the economy that has led to the ineffectiveness of recent

monetary and fiscal policies how uncertainty in economic policymaking is affecting America politically as well as at the individual household level and why those who are adversely impacted are becoming politically disaffected He also presents an agenda for corrective individual action Readers will understand how the results of changes in demographics will last for decades and extend beyond the United States to many developed countries particularly Japan and nations in Europe as well as to some developing countries The book will be of value to students studying macro and micro economics those in public policy at all levels of government public administration and governmental budgeting and anyone attempting to understand the current dilemma in economic policymaking and our disjointed political process Big Data Applications in Geography and Planning Mark Birkin,Graham Clarke,Jonathan Corcoran,Robert Stimson,2021-05-28 This unique book demonstrates the utility of big data approaches in human geography and planning Offering a carefully curated selection of case studies it reveals how researchers are accessing big data what this data looks like and how such data can offer new and important insights and knowledge **Forging Communities in Colonial Alta California** Kathleen L. Hull,John G. Douglass,2018-10-16 Between 1769 and 1834 an influx of Spanish Russian and then American colonists streamed into Alta California seeking new opportunities Their arrival brought the imposition of foreign beliefs practices and constraints on Indigenous peoples Forging Communities in Colonial Alta California reorients understandings of this dynamic period which challenged both Native and non Native people to reimagine communities not only in different places and spaces but also in novel forms and practices The contributors draw on archaeological and historical archival sources to analyze the generative processes and nature of communities of belonging in the face of rapid demographic change and perceived or enforced difference Contributors provide important historical background on the effects that colonialism missions and lives lived beyond mission walls had on Indigenous settlement marriage patterns trade and interactions They also show the agency with which Indigenous peoples make their own decisions as they construct and reconstruct their communities With nine different case studies and an insightful epilogue this book offers analyses that can be applied broadly across the Americas deepening our understanding of colonialism and community Contributors Julianne Bernard James F Brooks John Dietler Stella D Oro John G Douglass John Ellison Glenn Farris Heather Gibson Kathleen L Hull Linda Hylkema John R Johnson Kent G Lightfoot Lee M Panich Sarah Peelo Seetha N Reddy David W Robinson Tsim D Schneider Christina Spellman Benjamin Vargas
