Northern Nigeria Criminal Procedure Code:

The Criminal Procedure Code of Northern Nigeria Sam Scruton Richardson, Tom Hitchon Williams, 1963 *Islamic Criminal Law in Northern Nigeria* Gunnar J. Weimann, 2010 Annotation In 2000 and 2001 twelve northern states of the Federal Republic of Nigeria introduced Islamic criminal law as one of a number of measures aiming at reintroducing the shari'a. Immediately after its adoption defendants were sentenced to death by stoning or to amputation of the hand. Apart from a few well publicised trials however the number and nature of cases tried under Islamic criminal law are little known. Based on a sample of trials the present thesis discusses the introduction of Islamic criminal law and the evolution of judicial practice within the regions historical cultural political and religious context. The introduction of Islamic criminal law was initiated by politicians and supported by Muslim reform groups but its potential effects were soon mitigated on higher judicial levels and aspects of the law were contained by local administrators. Criminal Procedure in the Northern States of Nigeria Jeffrey Richard Jones, 1979 **Criminal Justice Responses to the Boko Haram Crisis in Nigeria** Victoria Ojo-Adewuyi, 2024-01-01 This book concentrates on the crisis perpetrated by the Boko Haram group in Nigeria which since 2009 has made a definitive impact on both the domestic and international criminal landscape. The volume centres on three core issues: first an assessment of the criminal legal responses at the domestic level where the legal characterization of the conducts in question including an evaluation of the state of specific domestic prosecutions are assessed. Secondly the book gauges the potential for international criminal justice while evaluating the Boko Haram situation at the International Criminal Court. This includes an assessment of the jurisdictional aspects, the admissibility and the interests of justice requirements in addition to the appraisal of conducts amounting to war crimes and crimes against humanity perpetrated. Finally the book explores possible non prosecutorial responses in the form of classic and non classic transitional justice mechanisms that maybe utilized as a response to the crisis in Nigeria. Furthermore it draws instructive lessons from Nigeria's past misadventure with specific transitional justice mechanisms while exploring the realities of utilizing the restorative justice mechanisms available in Nigeria. The volume

concludes by calling for a victim centred approach in the discourse around the Boko Haram crisis This book presents a definitive study of the history of the development of Boko Haram and the related domestic and international criminal legal issues Researchers and anyone seeking to understand the Boko Haram crisis in relation to international criminal law including those looking for a clear overview of the criminal conduct perpetrated by Boko Haram in Nigeria and a view of Nigeria s domestic legal regime will benefit from the information on offer Victoria Ojo Adewuyi is a lawyer called to the Nigeria Bar in 2012 She obtained a Bachelor of Laws degree LL B in 2011 from the Obafemi Awolowo University Ile Ife Nigeria obtained a Master of Laws Degree LL M from the University of the Western Cape Cape Town South Africa and Humboldt Universit t zu Berlin under the South African German Centre for Transnational Criminal Justice in 2016 and completed her doctorate in International Criminal Law at the Humboldt Universit t zu Berlin Germany in 2022

Understanding Sharia Raficq S. Abdulla, Mohamed M. Keshavjee, 2018-04-30 I B Tauris in association with the Institute of Ismaili Studies Sharia has been a source of

misunderstanding and misconception in both the Muslim and non Muslim worlds Understanding Sharia Islamic Law in a Globalised World sets out to explore the reality of sharia contextualising its development in the early centuries of Islam and showing how it evolved in line with historical and social circumstances The authors Raficq S Abdulla and Mohamed M Keshavjee both British trained lawyers argue that sharia and the positive law flowing from it known as fiqh have never been an exclusive legal system or a fixed set of beliefs In addition to tracing the history of sharia the book offers a critique concerning its status today Sharia is examined with regard to particular issues that are of paramount importance in the contemporary world such as human rights criminal penalties including those dealing with apostasy blasphemy and adultery commercial transactions and bio medical ethics amongst other subjects The authors show that sharia is a legal system underpinned by ethical principles that are open to change in different circumstances and contexts notwithstanding the claims for transcendental permanence made by Islamists This book encourages new thinking about the history of sharia and its role in the modern world

Nigeria's Fourth Republic, 1999-2021 Michael Nwankpa, 2022-11-18 This book reflects on Nigeria's fourth republic the country's longest democratic period since it gained independence from Great Britain It argues that although constitutional or political democracy has lasted for over two decades in Nigeria and seen three successful democratic changes of power Nigeria's democracy remains largely militarised During Nigeria's fourth republic political and socio economic affairs have been increasingly dominated by a pervasive military presence and ideology which has seen a redistribution of resources and government funds away from social programmes into an increase in security budgets weapons proliferation and internal military interventions and occupations This institutionalisation of violence has turned the country into a national security state where the rule of force and violence rather than dialogue and compassion reflect everyday reality Whilst acknowledging the history of militarisation during colonial and military rule this book makes a compelling argument for considering the distinct character of the Nigerian nation state's path to militarisation over the last 20 years of experimentation with democracy This book's fresh insights into the fourth republic's path to militarisation will be of interest to researchers of African politics security and development
