Notes of a War Correspondent Richard Harding Davis,2020-02-03 I am going to try to describe some kits and outfits I have seen used in different parts of the world by travellers and explorers and in different campaigns by army officers and war correspondents Among the articles the reader may learn of some new thing which when next he goes hunting fishing or exploring he can adapt to his own uses That is my hope but I am sceptical I have seldom met the man who would allow any one else to select his kit or who would admit that any other kit was better than the one he himself had packed It is a very delicate question The same article that one declares is the most essential to his comfort is the very first thing that another will throw into the trail **Notes of a War Correspondent - Scholar's Choice Edition** Richard Harding Davis,Charles Scribner's Sons,2015-02-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **NOTES of a WAR CORRESPONDENT (Annotated)** Richard HARDING DAVIS,2021-09-24 Adolfo Rodriguez was the only son of a Cuban farmer who lived nine miles outside of Santa Clara beyond the hills that surround that

In Many Wars, by Many War Correspondents George Lynch, 2010-10-01 There are few people in the world who have more opportunity for getting close to the hot interesting things of one s time than the special correspondent of a great paper George Lynch a veteran British correspondent wrote in Impressions of a War Correspondent published in 1903 He made it all sound glorious just the way war correspondents like to recount their experiences on the battlefield But in a few months he had less to exult about Lynch and a distinguished throng of foreign correspondents with high hopes of a good story assembled in Tokyo to cover the Russo Japanese War a monumental conflict that would mark the first modern defeat of a Western force by an Asian one only to discover that the authorities would not let them close to the hot interesting things Corralled in the Imperial Hotel the journalists had nothing much to do except tell stories in the bar and write about local flora A few of them including Jack London and Richard Harding Davis decided to contribute short autobiographical stories recounting their most exciting journalistic experiences for a book to be edited by Lynch and his American colleague Frederick Palmer The correspondents told their tales in different ways prose poems sketches and even a short play Their stories recounted their routines failures and triumphs including surviving battles and waiting to see action One contributor imagines bewhiskered correspondents in 1950 still awaiting permission from Japan to go to the front only to learn the war had been over for thirty nine years Printed locally by a Japanese printer and largely forgotten until now In Many Wars by Many War Correspondents offers colorful stories and insights about the lives and personalities of some of history s most celebrated war correspondents With a foreword by John Maxwell Hamilton that chronicles the circumstances under which the contributors compiled the book this new edition opens a window into the fascinating world of foreign newsgathering at the turn of the twentieth century
