Nothing But The Truth Study Guide:

A Study Guide for Avi's "Nothing but the Truth" Gale, Cengage Learning, 2016-06-29 A Study Guide for Avi's Nothing but the Truth excerpted from Gale's acclaimed Novels for Students. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust Novels for Students for all of your research needs. *Nothing But the Truth* John MacArthur, 1999-09-22 Sanctify Christ as Lord in your hearts, always being ready to make a defense to everyone who asks you to give an account for the hope that is in you, yet with gentleness and reverence. 1 Peter 3:15 Scripture is clear about the fact that we must be prepared to communicate the truth of the Gospel when given the opportunity and do it with the right attitude. But even when your tone is gentle and respectful, what specifically should you say when asked or confronted about your faith? And what is your overall responsibility to unbelievers as a disciple of Christ? Pastor John MacArthur responds to these very questions and more with solid biblical answers focused in four particular areas: your attitude, your preparedness, the content of your answers, and your priority in witnessing. Combining a biblical study of evangelism, a rational defense of Christian beliefs, and a practical approach to evangelism, this book offers a well-rounded perspective that can help you gently and confidently give an answer for the hope you have in Christ. *Nothing But the Truth Study Guide* McGraw-Hill-Glencoe Staff, 2001-11-01 *An Independent Study Guide to Reading Greek* Joint Association of Classical Teachers. The World of the End Bible Study Guide Dr. David Jeremiah, 2022-11-22 This is our time to be the answer. Some days it seems like bad news all around. And with bad news comes questions: Why is this happening? When will it stop? What can we do? And most pressing of all: Is this the end? In these hope-filled pages, bestselling author, pastor, and respected Bible teacher Dr. David Jeremiah will help you focus your mind on the hand of God instead of the problems at hand. Jesus Himself revealed what to expect from this season of history when He delivered His Olivet Discourse, a sermon that scholars have called the most important single passage of prophecy in all the Bible. This study guide, designed for use with Dr. Jeremiah's book *The World of the End*, focuses on Jesus' prophecy in Matthew 24. Jesus makes it clear that all the signs He points to won't occur at once; instead, they will gradually appear and become stronger and more frequent. You will learn exactly what Jesus promised to us and what He expects of us as we approach the World of the End. Each lesson includes an outline of the main subjects and Scriptures covered during the lesson, an overview of Dr. Jeremiah's teaching on the topic being studied, application questions to help both individuals and small groups delve into the content, and the Bible A Did You Know section that adds a point of interest to the lesson.

SCM Studyguide Early Christian Doctrine and the Creeds Piotr Ashwin-Siejkowski, 2013-02-11 The SCM Studyguides are becoming increasingly well known, recognized, and adopted as accessible textbooks for level 1 students who have no prior knowledge of the subject. The SCM Studyguide *Early Christian Doctrine and the Creeds* offers an accessible, stimulating, and interactive guide book to the emergence of Christian identity with particular attention to the earliest form of the Christian thought and doctrine. The author analyses the crucial statements of the early Creeds and rules of faith. He explains the creedal statements on the nature of God, creation, incarnation, redemption, the Church, and eschatology, and outlines the theological context which influenced their formulation and later modifications by other texts and authors. The Creeds are part of the heritage of all Christian tradition and therefore have to be studied by both theological students and in the context of education for discipleship modules.
