The Baptist ,1920 *Child Rights in India* Asha Bajpai,2018-02-15 Legislation is one of the most important tools for empowering children. It reflects the commitment of the state to promote an ideal and progressive value system. Recent years have seen several key developments in the law policy and practice related to child rights. Significantly with the adoption of the United Nations Convention on the Rights of the Child in 1989 a rights based approach has acquired prominence in the child rights discourse across the world. The book analyses the laws in the light of court judgments and policy initiatives taken in India. It also examines the interventions and strategies employed by non governmental organizations in recommending legislative reforms in support of children. This fully revised third edition focuses on the new legal developments in India such as the Juvenile Justice Care and Protection of Children Act 2015 the new Central Adoption Resource Agency guidelines the Right of Children to Free and Compulsory Education Act 2009 and the National Food Security Act 2013 thus attempting to integrate the law in theory and field practice.
