Urban Regeneration and Neoliberalism Clare Kinsella,2020-10-29 This book explores the concept of home in Liverpool over phases of regeneration following the Second World War Using qualitative research in the oral history tradition it explores what the author conceptualises as forward facing regeneration in the period up to the 1980s and neoliberal regeneration interventions that prioritise the past from the 1980s to the present The author examines how the shift towards city centre focused redevelopment and event led initiatives has implications for the way residents make sense of their conceptualisations of home and demonstrates how the shift in regeneration focus discourse and practice away from Liverpool s neighbourhood districts and towards the city centre has produced changes in the ways that residents identify with neighbourhoods and the city centre with prominence being given to the latter Employing Pierre Bourdieu s concepts of habitus and field as mechanisms for understanding different senses of home and shifts from localised views to globalised views this book will appeal to those with interests in urban sociology regeneration geography sociology home cultures and cities

Bridging the Gender Gap Lynn Roseberry,Johan Roos,2014-07-24 Despite decades of efforts to promote gender equality most leadership positions in business politics education and even NGOs are occupied by men and most people still work in occupations dominated by one sex This book argues that gender imbalances in leadership and occupations are not simply a moral issue or an economic issue but a governance issue Gender imbalances persist in large part because the very people with the authority and influence to do something about them know very little about gender and how it works in their organizations and in society at large Gender imbalanced governance is an expression of entrenched ideas about masculinity and femininity that lead to poor decision making Improving the quality of governance requires action to counteract the main justifications for the status quo Based on interviews and conversations with leaders and managers in Europe and the United States the book presents seven of the most common explanations for persistent gender imbalances and shows how they are based on common stereotypes and myths about men s and women s abilities and preferences This book provides a guided tour of current research about gender from a multi disciplinary perspective It challenges commonly held assumptions and

offers alternative explanations and corresponding principles to guide individual decisions action and behaviour toward achieving gender balance *Livelihoods and Learning* Caroline Dyer,2014-05-30 Current paradigms of development generally serve mobile pastoralist groups poorly their visibility in policy processes is minimal and their mobility is constructed by the powerful as a problem rather than as a rational livelihood strategy Increasingly damaged eco systems shrinking natural resources globalisation and urbanisation all put pressure on pastoralist livelihoods Such processes often worsen rather than alleviate poverty and socio economic marginalisation among pastoralists but they also precipitate engagement with forms of education that may improve their future livelihood security and social status and enhance occupational diversification Opening with a discussion of how the relationships between education poverty and development have been conceived in dominant development discourses this book reviews the disappointing international experience of education provision to mobile pastoralist groups It highlights a lack of sufficient flexibility and relevance to changing livelihoods and more fundamentally education s conceptual location within a sedentarist paradigm of development that is antagonistic to mobility as a legitimate livelihood strategy These global themes are examined in India where policy and practices of education inclusion for mobile marginalised groups are critiqued Empirically based chapters drawing on ethnographic research provide detailed insights into how the Rabaris of Kachchh a pastoralist community in Gujarat Western India engage with education as a social and economic development strategy for both adults and children and show how ethnographic and participatory research approaches can be used for policy advocacy for marginalised groups *Livelihoods and Learning* highlights the complex contested and often inconsistent role of education in development and the social construction of poverty and calls for a critical reappraisal of the notion of education The book will be key reading for postgraduates and academics in education development studies international and comparative education and research methodology as well as policy makers ministries and related agencies with responsibility for education *Parliamentary Debates (Hansard)*. Great Britain. Parliament. House of Commons,2013 *The Training of African Teachers in Natal from 1846-1964* Nicolas Schicketanz,2024-06-07 The history of African teacher training in Natal is one of the most neglected and under researched aspects of educational history This book attempts to set out the administrative history of this field as a first step in stimulating the further research that is so urgently needed Print edition not for sale in Sub Saharan Africa

In the digital age, access to information has become easier than ever before. The ability to download November 2012 Grade 1maths North West has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download November 2012 Grade 1maths North West has opened up a world of possibilities. Downloading November 2012 Grade 1maths North West provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading November 2012 Grade 1maths North West has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download November 2012 Grade 1maths North West. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading November 2012 Grade 1maths North West. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading November 2012 Grade 1maths North West, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download November 2012 Grade 1maths North West has

transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
