Battery

The battery is located in the right rear corner of the engine compartment. The electrolyte level can be sight-checked by removing the battery lid. The fluid should be 1/2" above the upper edges of the plates. To refill, use distilled water only.

Never run engine with disconnected battery, as this may damage components of the electrical system.

Fuses

The fuse box is located under the dashboard on the left beside the steering column. The fuses are protected by a transparent cover on which the corresponding current containing elements are indicated by symbols.

Fuses for heater blower, fuel pump and rear window defogger are on the relay plate in engine compartment.
