Metaphor, Riddles, and the Origin of Language Marcel Danesi, 2024-04-08 Scientific evidence for the origin of speech is abundant, but evidence for the origin of language as separate from speech as a naming system remains speculative. What evidence can be utilized that will furnish relevant insights on the origin of language? This book attempts to provide an answer by suggesting that the first riddles of humanity, along with the first myths, reveal that language may have emerged as a mode of reflection via metaphor, a mode that involves blending speech forms together to produce complex, abstract cognition.
