Lee In the Shadow of Washington Richard B. McCaslin,2001-10-01 **Robert Downey Jr.** William Hamilton,2008-08-01 Biography of Robert Downey Jr His rise to an A list actor playing Iron Man Tropic Thunder and The Soloist The Oscar nominated actor has been called the best of his generation but he has been shadowed with self doubt and addiction Cry about his struggles and laugh with his quick quirky sense of humor Read about Robert Downey Senior who has an even stranger sense of humor than he does **Social Democracy in the Making** Gary Dorrien,2019-04-23 An expansive and ambitious intellectual history of democratic socialism from one of the world's leading intellectual historians and social ethicists The fallout from twenty years of neoliberal economic globalism has sparked a surge of interest in the old idea of democratic socialism a democracy in which the people control the economy and government no group dominates any other and every citizen is free equal and included With a focus on the intertwined legacies of Christian socialism and Social Democratic politics in Britain and Germany this book traces the story of democratic socialism from its birth in the nineteenth century through the mid 1960s Examining the tenets on which the movement was founded and how it adapted to different cultural religious and economic contexts from its beginnings through the social and political traumas of the twentieth century Gary Dorrien reminds us that Christian socialism paved the way for all liberation theologies that make the struggles of oppressed peoples the subject of redemption He argues for a decentralized economic democracy and anti imperial internationalism

Collection of Articles by Robert MacDougall Robert Macdougall,1896 **Bulletin of the Robert Morris Associates** Robert Morris Associates,1925 *Papers of Robert Morris, 1781-84, Volume 9* Robert Morris,1999-06-17 Although Robert Morris 1734 1806 the Financier of the American Revolution was a signer of the Declaration of Independence the Articles of Confederation and the Constitution a powerful committee chairman in the Continental Congress an important figure in Pennsylvania politics and perhaps the most prominent businessman of his day he is today least known of the great national leaders of the Revolutionary era This oversight is being rectified by this definitive publication project that transcribes and

carefully annotates the Office of Finance diary correspondence and other official papers written by Morris during his administration as superintendent of finance from 1781 to 1784 The Ordeal of Robert Frost Mark Richardson,1997

Through close readings of Frost s poetry and often ignored prose Mark Richardson argues that Frost s debates with Van Wyck Brooks Malcolm Cowley and H L Mencken informed his poetics and his poetic style just as much as did his deep identification with earlier writers like Emerson and William James **The Memoirs of Robert and Mabel Williams**

Robert F. Williams,Mabel R. Williams,2025-06-17 Born in Jim Crow era Monroe North Carolina Robert F Williams and Mabel R Williams were the state s most legendary African American freedom fighters The Williamses leadership in Monroe was just the beginning of a lifelong pursuit of freedom and justice for Black people in the United States and for oppressed populations throughout the world Their activism foreshadowed major developments in the civil rights and Black Power movements including Malcolm X s advocacy of fighting oppression by any means necessary the emergence of the Black Panther Party and Black solidarity with Third World liberation movements Robert documented his experiences in Monroe in his classic 1962 book *Negroes with Guns* and completed a draft of his memoir *While God Lay Sleeping* months before his death in 1996 Mabel began a memoir of her own before her death in 2014 The family selected John Bracey Jr Akinyele K Umoja and Gloria Aneb House to edit and complete the manuscripts which are presented together in this book offering a gripping portrait of these pioneering freedom fighters that is both deeply intimate and a fierce call to action in the ongoing fight against racial injustice The Ascent of Rauschenberg Carolyn Russo,2025-10-14 Take flight with postmodern artist Robert Rauschenberg in this tribute to his space and aviation art featuring art history and 150 fascinating images Most famous for his groundbreaking *Combines* painting and sculpture hybrids that often incorporated everyday objects American artist Robert Rauschenberg 1925 2008 created within a range of mediums including collage performance photography and printmaking But a connective tissue through it all was his fascination with flight The *Ascent of Rauschenberg* explores the flight motif across his work spanning birds insects aviation spaceflight sensory experiences and metaphors for his own life More than 150 images reveal the vibrant scope of his work from lithographs inspired by the Apollo 11 launch that NASA invited him to witness and document to a *Combine* featuring a taxidermied eagle that evokes Roman mythology Nine accompanying essays reflect on his many flight themes and subtleties that might otherwise be overlooked The book also includes archival photographs and personal papers from the Robert Rauschenberg Foundation Considered a forerunner of several artistic movements most notably pop art Rauschenberg was one of the most influential artists of his time This gorgeous volume engages with his work at an intimate level and through a distinctive lens revealing an artist deeply mesmerized by the innovation of flight within nature technology and art By observing Rauschenberg s work through the prism of flight The *Ascent of Rauschenberg* refracts to reveal the depth and dazzle of an unparalleled career **Nomination of Robert M. JONES, 1865 **The American Vision of Robert Penn Warren** William Bedford Clark, 2021-12-14 In 1976 the bicentennial year Robert Penn Warren told Bill Moyers that he was in love with America but his love for the nation was more often than not troubled and angry Warren once remarked that any intelligent person is inclined to criticize his country more strongly than he will criticize anything else And he should It s a way of criticizing himself too Trying to live more intelligently and more fully In *The American Vision of Robert Penn Warren* a noted Warren scholar traces the evolution of our first poet laureate s distinctive stance toward the American experiment in democracy showing how Warren sought to balance off the claims of self and society in the New World This book surveys the full six decades of Warren s career combining close reading with a historian s eye for social and political context While pointedly avoiding the reductive pitfalls of the new historicism Clark documents the informing role the Great Depression played in shaping Warren s attitudes toward art and politics and he demonstrates the necessity of regarding Warren s major achievements in fiction and verse as forms of public speech Read in this light Warren s vision offers a set of possibilities for renegotiating America s covenant with its Founders on new and pragmatic terms Based solidly on the best previous commentary on Warren and his work Clark s study represents a new approach to its subject and incorporates insights and information garnered from the Warren Papers at Yale A wide ranging account of the interplay between an author s imagination and contemporary history this book should prove of interest to all students of American culture especially those concerned with the interrelationships of literature politics and ideology Written in a lively and direct style it will appeal to specialists and general readers alike *Robert Burns and Religion* Walter McGinty, 2018-02-05 This title was first published in 2003 This text examines the role of religion in the life of the poet Robert Burns Incorporating previously unexplored sources and taking into consideration contemporary work on Burns and on Scottish literature and history author J Walter McGinty presents an account of Burns s personal religion and the factors that helped to form it McGinty begins by discussing the recurring themes in Burns s religious writings a belief in a benevolent God a hankering after if not a hope that there might be a life after death and a sense of his own accountability He then presents for comparison the religious poetry of two of Burns s contemporaries William Cowper and Christopher Smart usefully extending the discussion of Burns beyond the purely Scottish context Finally McGinty provides portraits of some of the ministers of The Church of Scotland s Garland A New Song followed by an analysis of Burns s religious poetry Holmes v. Robert Oakman Land Co., 260 MICH 378 (1932) ,1932 101 *J. Robert Oppenheimer* the late Abraham Pais, 2006-04-01

The late Abraham Pais author of the award winning biography of Albert Einstein *Subtle is the Lord* here offers an illuminating portrait of another of his eminent colleagues J Robert Oppenheimer one of the most charismatic and enigmatic figures of modern physics Pais introduces us to a precocious youth who sped through Harvard in three years made signal contributions to quantum mechanics while in his twenties and was instrumental in the growth of American physics in the decade before the Second World War almost single handedly bringing it to a state of prominence He paints a revealing portrait of Oppenheimer's life in Los Alamos where in twenty remarkable feverish months and under his inspired guidance the first atomic bomb was designed and built a success that made Oppenheimer America's most famous scientist Pais describes Oppenheimer's long tenure as Director of the Institute of Advanced Study at Princeton where the two men worked together closely He shows not only Oppenheimer's brilliance and leadership but also how his displays of intensity and arrogance won him powerful enemies ones who would ultimately make him one of the principal victims of the Red Scare of the 1950s J Robert Oppenheimer is Abraham Pais's final work completed after his death by Robert P Crease an acclaimed historian of science in his own right Told with compassion and deep insight it is the most comprehensive biography of the great physicist available Anyone seeking an insider's portrait of this enigmatic man will find it indispensable *Standing Up Space Force* Forrest L. Marion, 2023-12-15 Although the United States won the race to the moon the Soviets were far more active in space than Americans during the decade that followed By the 1980s some space experts feared the United States was in danger of being surpassed in space including dual use systems that might be employed offensively in a military confrontation A few experts looking ahead recommended a space force within roughly two decades *Standing up Space Force* is organized chronologically by presidential administration beginning in the middle of the Clinton years and progressing through the Trump administration During the Clinton and George W Bush years the move to national security space was incremental The Obama presidency witnessed the rise of NewSpace entrepreneurs whose impressive space activities facilitated their initial partnering with U S government National Security Space NSS missions helping the United States keep pace with China and Russia During the Trump administration all necessary elements finally came together most significantly presidential congressional leadership and bipartisan support to eventually produce the fiscal 2020 national defense authorization act NDAA Because the NDAA authorized and provided for the Space Force when the President signed the defense bill on 20 December 2019 at the same moment he officially established the nation's sixth armed service *The Notebooks of Robert Frost* Robert Frost, 2007-01-01 During his lifetime Robert Frost notoriously resisted collecting his prose going so far as to halt the publication of one prepared compilation and to lose the transcripts of the Charles Eliot Norton Lectures he delivered at Harvard in 1936 But for all his qualms Frost conceded to his son that you can say a lot in prose that verse won't let you say and that the prose he had written had in fact made good competition for his verse This volume the first critical edition of Robert Frost's prose allows readers and scholars to appreciate the great American author's forays

beyond poetry and to discover in the prose that he did make public in newspapers magazines journals speeches and books the wit force and grace that made his poetry famous The Collected Prose of Robert Frost offers an extensive and illuminating body of work ranging from juvenilia Frost's contributions to his high school Bulletin to the charming chicken stories he wrote as a young family man for The Eastern Poultryman and Farm Poultry to such famous essays as The Figure a Poem Makes and the speeches and contributions to magazines solicited when he had become the Grand Old Man of American letters Gathered annotated and cross referenced by Mark Richardson the collection is based on extensive work in archives of Frost's manuscripts It provides detailed notes on the author's habits of composition and on important textual issues and includes much previously unpublished material It is a book of boundless appeal and importance one that should find a home on the bookshelf of anyone interested in Frost
