Robert DiYanni Literature Second Edition:

Literature Robert DiYanni, 2003-07 A comprehensive presentation of the three genres of literature this title offers New Voices of authors eight Authors in Context and a Transformations chapter **Literature** Robert DiYanni, 1990 Revision parody and adaptation some alternative translations poems The selections in Literature classic and contemporary present a wide range of styles voices subjects and points of view **Literature and Utopian Politics in Seventeenth-Century England** Robert Appelbaum, 2002-04-04 Hundreds of writers in the English speaking world of the seventeenth century imagined alternative ideal societies Sometimes they did so by exploring fanciful territories such as the world in the moon or the nations of the Antipodes but sometimes they composed serious disquisitions about the here and now proposing how England or its nascent colonies could be conceived of as an Oceana or a New Jerusalem This book provides a comprehensive view of the operations of the utopian imagination in literature from 1603 to the 1660s Appealing to social theorists literary critics and political and cultural historians this volume revises prevailing notions of the languages of hope and social dreaming in the making of British modernity during a century of political and intellectual upheaval *A Philosophy of Visual Metaphor in Contemporary Art* Mark Staff Brandl, 2023-02-23 Metaphor which allows us to talk about things by comparing them to other things is one of the most ubiquitous and adaptable features of language and thought It allows us to clarify meaning yet also evaluate and transform the ways we think create and act While we are alert to metaphor in spoken or written texts it has within the visual arts been critically overlooked Taking into consideration how metaphors are inventively embodied in the formal technical and stylistic aspects of visual artworks Mark Staff Brandl shows how extensively artists rely on creative metaphor within their work Exploring the work of a broad variety of artists including Dawoud Bey Dan Ramirez Ga lle Villedary Raoul Deal Sonya Clark Titus Kaphar Charles Boetschi and more he argues that metaphors are the foundation of visual thought are chiefly determined by bodily and environmental experiences and are embodied in artistic form Visual artistic creation is philosophical thought By grounding these arguments in the work of philosophers and cultural theorists including No l Carroll Hans Georg Gadamer and George Lakoff Brandl shows how important metaphor is to understanding contemporary art *A Philosophy of Visual Metaphor in Contemporary Art* takes a neglected feature of the visual arts and shows us what a vital role it plays within them Bridging theory and practice and drawing upon a capacious array of examples this book is essential reading for art historians and practitioners as well as analytic philosophers working in aesthetics and meaning **Innocent Victim and Other Plays** Foluke Ogunleye, 2003 *Language, Literature and Education in Multicultural Societies* Kenneth Harrow, Kizitus Mpoche, 2009-10-02 This book presents a vivid overview of linguistic literary and educational issues in a multicultural context from various perspectives These range from large scale surveys to specific analyses on aspects of language literature and education Contributions are very original and based on a common denominator Multiculturalism Despite the numerical dominance of contributions from Cameroon one of the most

multilingual countries in the world this book brings together views from specialists in the different domains from several parts of the world Africa Europe and the United States of America These contributions exhibit not theoretical issues that underpin current academic debates in linguistic and literary research but also empirical and interesting data that can further be exploited to other ends Critical views on literature and postcolonialism the fears of language death with the advent of globalisation and the spread of English language the educational significance or influence of the internet the wealth of Cameroon African literature and the education of the Cameroonian African child and theoretical issues in language and literary education are themes handled here in an accessible manner to readers without previous knowledge of language science literature and education

Women in Literature Jerilyn Fisher, Ellen Silber, 2003-06-30 With the literary canon consisting mostly of works created by and about men the central perspective is decidedly male This unique reference offers alternate approaches to reading traditional literature as well as suggestions for expanding the canon to include more gender sensitive works Covering 96 of the most frequently taught works of fiction essays offer teachers librarians and students fresh insights into the female perspective in literature The list of titles created in consultation with educators includes classic works by male authors like Dickens Faulkner and Twain balanced with works by female authors such as Kate Chopin's *The Awakening* and Mary Shelley's *Frankenstein* Also included are contemporary works by writers such as Alice Walker and Margaret Atwood that are being incorporated into the curriculum as well as those advancing a more global view such as Sandra Cisneros' *House on Mango Street* and Chinua Achebe's *Things Fall Apart* The essays are expertly written in an accessible language that will help students gain greater awareness of gender related themes Suggestions for classroom discussions with selected works for further study are incorporated into the entries The volume is organized alphabetically by title and includes both author and subject indexes An appendix of gender related themes further enhances this volume's usefulness for curriculum applications and student research projects

The SAGE Handbook of Research in International Education Mary Hayden, Jeff Thompson, Jack Levy, 2007-01-03 The editors of the SAGE Handbook of Research in International Education have brought together an impressive array of scholars whose cutting edge research addresses the growing field of international education from the experiences of K 12 schools around the world to the field of teacher education This book raises important questions and should be read by a broad audience Kenneth Cushner Executive Director of International Affairs and Professor of Education Kent State University The editors of this admirable handbook have set out to produce a report on international education Their consummate success in doing so gives those of us working in the field a new and invaluable resource The editors may be academics but this is a book largely written by about and for those whose job it is to teach internationally No one working in international education will fail to be provoked challenged or inspired by the compelling arguments advanced within this authoritative volume Peter MacKenzie Principal Hiroshima International School The book is well organized in carefully integrated sections and chapters and the references alone are a valuable

bibliographical tool An indispensable work highly recommended for education reference collections and the libraries of individual researchers J B Thomas Emeritus Professor of Educational Studies Loughborough University Interest in the field of international education has never been more intense than at present There are a rapidly increasing number of schools worldwide set up specifically to meet the demands of those parents who through their own professional activities wish to have their sons and daughters educated in schools that offer programmes based on international values Such schools have embraced the promotion of international education as one of their major goals and consequently an increasing number of organisations currently offer curricula that claim to be international in nature Such global movements have created a parallel increase in the incorporation of forms of international education within national school systems throughout the world This has resulted in wider forms of collaboration between schools in the public and private sectors nationally and internationally generating a much more substantial base of professional experience in the implementation of schemes for international education than had previously existed This book analyses the origins contributions and interpretations of international education The authors identify approaches to research that will progress our knowledge and understanding of the field and extend and even redraw it on the basis of the research evidence presented Content includes A historical overview of the ways in which the term international education has been interpreted The theoretical interpretation of international education in its current context International education in practice exploration of the issues in terms of students curricula pedagogies and organising formal institutions Conceptual challenges for international education in the future This handbook is an essential resource for those who are involved in the practice and academic study of international education It will be of particular interest to researchers and teachers in universities governmental and private curriculum development agencies examination authorities administrators and teachers in schools This volume is another valuable SAGE contribution to the expanding literature on international education Not all handbooks are described as essential reading but this one will be and will become an indispensable work of reference highly recommended for education libraries both academic and governmental and for the bookshelves of individual researchers and all involved in international education the three editors and their fellow authors can take a collective pride in having given us an excellent volume which very successfully completes a chronological and theoretical journey through the issues practices and future questions presented by international research and practice in international education *Journal of Research in International Education* The Borzoi Handbook for Writers (text only--no practice book) Frederick Crews, Sandra Schor, Michael Hennessey, 1992-11-01 Designed as an easy to use non jargon bound reference for writers the BORZOI features elegant straightforward language suggestions and advice as it avoids complex grammatical explanations The handbook is accompanied by a free Practice book that provides exercises based in real discourse units Helpmates, Harlots, and Heroes, Second Edition Alice Ogden Bellis, 2007-07-03 This best selling book now revised and updated shares the work of many feminist biblical scholars who have examined women s stories for several

years These stories are powerful accounts of women in the Old Testament stories that have profoundly affected how women understand themselves as well as men's perception of them Here Alice Bellis shares the research of feminist biblical scholarship during a quarter of a century which renders a vast amount of refreshing exciting sometimes disturbing material

Drama Robert DiYanni,2000 This anthology features a presentation of the elements of drama along with a three part pedagogy Drama also includes coverage of writing about drama **Ibsen and the Greeks** Norman Rhodes,1995 Was Ibsen influenced by Greek culture Were allusions to the Greeks configured in the Norwegian playwright's works According to author Norman Rhodes whether consciously or unconsciously many of Ibsen's plays are encoded with veiled references to ancient Greek culture Rhodes also postulates that Ibsen's perception of the importance of the Greeks was most likely mediated to him through German Romanticism and Scandinavian culture According to Rhodes numerous echoes of Greek literature resonate in such early Ibsen plays as *Catiline The Warrior*'s Barrow Olaf Liljerkrans and *Love's Comedy* Ibsen's *Brand* and *Peer Gynt* are a dialectic pair which in key ways are suggestive of Homer's *Iliad* and *Odyssey* *A Doll House* has important parallels with Sophocles *Antigone* and *An Enemy of the People* correlates with both Plato's *Apology* and Sophocles *Oedipus Tyrannos* Moreover a Euripidean sense of fatal irrationality seems inscribed in Ibsen's final plays the protagonists John Rosmer Hedda Gabler Master Builder Solness John Gabriel Borkman and the sculptor Rubek all destroy themselves BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Kipling Journal**

,2011 **The Making of the Modern Artist** Ernest L. Veyu,2012-12-19 The Making of the Modern Artist Stephen Dedalus and Will Brangwen examines two fictional artists by James Joyce and D H Lawrence in *A Portrait of the Artist as a Young Man* and D H Lawrence's *The Rainbow* respectively It brings together Joyce and Lawrence in their common concern with the modern artist and modern art Taking the two major artist characters of the two works this study establishes that Joyce and Lawrence irrespective of major background educational artistic and philosophical differences converge on the person character artistic vision and working methods of the modern artist This study makes little effort at looking at these fictional artists as alter egos of Joyce and Lawrence it treats them as modern artists in their own right It attempts to give them somewhat a critical right of existence of their own Ottomiller's Index to Plays in Collections John Henry Ottomiller,Denise

L. Montgomery,2011-08-11 The standard location tool for full length plays published in collections and anthologies in England and the United States since the beginning of the 20th century Ottomiller's Index to Plays in Collections has undergone seven previous editions the latest in 1988 covering 1900 through 1985 In this new edition Denise Montgomery has expanded the volume to include collections published in the entire English speaking world through 2000 and beyond This new volume lists more than 3 500 new plays and 2 000 new authors as well as birth and or death information for hundreds of authors Representing the largest expansion between editions this updated volume is a valuable resource for libraries worldwide **South Atlantic Review** ,1989 *Books and Readers in Early Modern England* Jennifer Andersen,Elizabeth

Sauer,2012-07-28 *Books and Readers in Early Modern England* examines readers reading and publication practices from the Renaissance to the Restoration The essays draw on an array of documentary evidence from library catalogs prefaces title pages and dedications marginalia commonplace books and letters to ink paper and bindings to explore individual reading habits and experiences in a period of religious dissent political instability and cultural transformation Chapters in the volume cover oral scribal and print cultures examining the emergence of the public spheres of reading practices Contributors who include Christopher Grose Ann Hughes David Scott Kastan Kathleen Lynch William Sherman and Peter Stallybrass investigate interactions among publishers texts authors and audience They discuss the continuity of the written word and habits of mind in the world of print the formation and differentiation of readerships and the increasing influence of public opinion The work demonstrates that early modern publications appeared in a wide variety of forms from periodical literature to polemical pamphlets and reflected the radical transformations occurring at the time in the dissemination of knowledge through the written word These forms were far more ephemeral and far more widely available than modern stereotypes of writing from this period suggest *Critical Reading Across the Curriculum, Volume 1* Robert DiYanni,Anton
