Wayne Ross, 2024-09-01 The Social Studies Curriculum Fifth Edition updates the definitive overview of the issues teachers face when creating learning experiences for students in social studies Renowned for connecting diverse elements of the social studies curriculum from history to cultural studies to contemporary social issues the book offers a unique and critical perspective that continues to separate it from other texts The social studies curriculum is contested terrain both epistemologically and politically Completely updated and revised the fifth edition includes fourteen new chapters and covers the politics of the social studies curriculum questions of historical perspective Black education and critical race theory whiteness and anti racism decolonial literacy and decolonizing the curriculum gender and sexuality Islamophobia critical media literacy evil in social studies economics education anarchism children's rights and Earth democracy and citizenship education Readers are encouraged to reconsider their assumptions and understandings of the purposes nature and possibilities of the social studies curriculum Directory of American Scholars: English speech and drama, 1999 **The Norton Sampler** Thomas Cooley, 1979 **For a Modest God** Eric Linn Ormsby, 1997 Ormsby's new work is here presented together with a generous selection from two previous volumes published in Canada *Bavarian Shrine* and *Other Poems* and

Coastlines In this earlier material the poet delights in celebrating the hidden life in everyday objects a twisted nail a seashell a roadside weed the human body itself Revealing the mystery and amazement contained in the quotidian Ormsby s poetry has always been able to transmute the humblest object by virtue of his stunning gift for metaphor and his opulent exuberance of language This is a poet whose verse rewards both the head and the heart who can discover entire galaxies in a scrap of lichen who can locate an entire lifetime of submerged emotion in the touch of an old woman s hand *Recording for the Blind & Dyslexic, ... Catalog of Books* ,1996 Reading and Writing for Civic Literacy Donald Lazere,2017-07-05 Lazere s book is heaven sent and will provide a crucial link in the chain of understanding how conflicts are structured and most importantly how they can be rationally addressed a healthy antidote to the scepticism that has become so pervasive in academic life Alan Hausman Hunter College This innovative book addresses the need for college students to develop critical reading writing and thinking skills for self defence in the contentious arena of American civic rhetoric In a groundbreaking reconception of composition theory it presents a comprehensive critical perspective on American public discourse and practical methods for its analysis Exercises following the text sections and readings help students understand the ideological positions and rhetorical patterns that underlie opposing viewpoints in current controversies such as the growing inequality of wealth in America and its impact on the finances of college students as expressed in paired sets of readings from the political left and right Widely debated issues of whether objectivity is possible and whether there is a liberal or conservative bias in news and entertainment media as well as in education itself are foregrounded as topics for rhetorical analysis
