

The background of the entire image is a detailed, black and white photograph of an ornate architectural structure, likely a church or cathedral. It features a large, arched window with intricate tracery and a series of smaller, rectangular windows below it. The architecture is highly decorative, with many small, carved details and a sense of grandeur. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture and form of the building.

Not Russian Enough? Rutger Helmers, 2014 Offers fresh perspectives on the function of nationalist thought in the cosmopolitan opera world with particular emphasis on the idea of Russianness in four nineteenth century operas by Glinka Serov Tchaikovsky and Rimsky Korsakov In the nineteenth century Russian composers and critics were encouraged to cultivate a national style to distinguish their music from the dominant Italian French and German traditions Not Russian Enough explores this aspiration for a nationalist musical tradition as it was carried out in the cosmopolitan world of opera Rutger Helmers analyzes the cultural context music and reception of four important operas Glinka's A Life for the Tsar 1836 Serov's Judith 1863 Tchaikovsky's The Maid of Orleans 1881 and Rimsky Korsakov's The Tsar's Bride 1899 He discusses such issues as the influence of Italian and French opera the use of foreign subjects the application of local color and the adherence to the classics and considers how these related to a sense of Russianness Besides yielding new insights for each of these works this study offers a fresh perspective on the function of nationalist thought in the nineteenth century Russian opera world Rutger Helmers is Assistant Professor in Historical Musicology at the University of Amsterdam and lectures in literary and cultural studies at Radboud University Nijmegen The Music of Leoš Janáček Zdenek Skoumal, 2020 Janáček's motives Musical elements Nineteenth century foundation Folk studies Jenfa Middle period works The cunning little vixen The wandering madman First String Quartet first movement Three rhythmic studies *Women in American Operas of the 1950s* Monica A. Hershberger, 2023 The first feminist analysis of some of the most performed works in the American opera canon emphasizing the voices and perspectives of the sopranos who brought these operas to life In the 1950s composers and librettists in the United States were busy seeking to create an opera repertory that would be deeply responsive to American culture and American concerns They did not break free however of the age old paradigm so typically expressed in European opera that is of women as either saintly and pure or sexually corrupt with no middle ground As a result in American opera of the 1950s women risked becoming once again opera's inevitable victims Yet the sopranos who were tasked with portraying these paragons of virtue and their opposites did not always take them as their composers and librettists made them Sometimes they rewrote through their performances the roles they had been assigned Sometimes they used their lived experiences to invest greater authenticity in the roles With chapters on The Tender Land Susannah The Ballad of Baby Doe and Lizzie Borden this book analyzes some of the most performed yet understudied works in the American opera canon It acknowledges Catherine Clement's famous description of opera as the undoing of women while at the same time illuminating how singers like Beverly Sills and Phyllis Curtin worked to resist such undoing years before the official resurgence of the American feminist movement In short they ended up helping to dismantle powerful gendered stereotypes that had often reigned unquestioned in opera houses until then *Verdi and the Art of Italian Opera* Steven Huebner, 2023 Verdi's art emerged from a rich array of dramatic and musical practices operative in the Italy of his day Drawing the reader into his

creative world this study translated from the French original by the author himself begins where Verdi began when it came time to set notes to paper the libretto Designed for the non Italophone reader Steven Huebner s Verdi and the Art of Italian Opera explains key principles of Italian poetry that shaped his music From there Huebner outlines the various musical textures available to the composer including an exploration of the characteristics of recitative and aria Working outward subsequent chapters explore the syntax of Verdi s melodic writing and the larger level forms that he used A concluding chapter considers ways of conceiving musical unity in his operas Huebner s long needed study provides significant insights into Verdi s musico dramatic strategies pulling together and making more easily accessible principles and insights that are spread widely across the scholarly literature Verdi remains by far the most performed opera composer on world stages today singers vocal coaches stage directors and opera lovers more generally will welcome this compact perspective on his art
