MacArthur, 1999-09-22 Sanctify Christ as Lord in your hearts, always being ready to make a defense to everyone who asks you to give an account for the hope that is in you, yet with gentleness and reverence. 1 Peter 3:15 Scripture is clear about the fact that we must be prepared to communicate the truth of the Gospel when given the opportunity and do it with the right attitude. But even when your tone is gentle and respectful, what specifically should you say when asked or confronted about your faith? And what is your overall responsibility to unbelievers as a disciple of Christ? Pastor John MacArthur responds to these very questions and more with solid biblical answers focused in four particular areas: your attitude, your preparedness, the content of your answers, and your priority in witnessing. Combining a biblical study of evangelism, a rational defense of Christian beliefs, and a practical approach to evangelism, this book offers a well-rounded perspective that can help you gently and confidently give an answer for the hope you have in Christ. *The Truth War Study Guide* John F.

MacArthur, 2007-05-06 Right now, Truth is under attack, and much is at stake. Christians are caught in the crossfire of alternative Christian histories, emerging faulty texts, and a cultural push to eliminate absolute Truth altogether. As a result, many churches and Christians have been deceived. Worse still, they propagate the deception that poses itself as Truth. In *The Truth War Study Guide*, John MacArthur reclaims the unwavering certainty of God's Truth and anchors Christians in the eternal, immovable promises that are found in His Word. For those struggling with contemporary society's apparent willingness to redefine truth, *The Truth War Study Guide* empowers Christians to claim the certainties that God promises. Critical evaluation of postmodern trends. Teaches Christians how to identify and address the errors and false teachings smuggled into their churches. For small group discussion or individual study. With 5 billion copies printed in 700 languages, *The Bible* is civilization's Owner's Manual, despite being written in 73 books of storytelling for an illiterate population 1,700 years ago.
