

Rain

Rain, midnight rain, nothing but the wild rain
On this bleak hut, and solitude, and me
Remembering again that I shall die
And neither hear the rain nor give it thanks
For washing me cleaner than I have been
Since I was born into this solitude.
Blessed are the dead that the rain rains upon:
But here I pray that none whom once I loved
Is dying to-night or lying still awake

Solitary, listening to the rain,
Either in pain or thus in sympathy
Helpless among the living and the dead,
Like a cold water among broken reeds,
Myriads of broken reeds all still and stiff,
Like me who have no love which this wild rain
Has not dissolved except the love of death,
If love it be towards what is perfect and
Cannot, the tempest tells me, disappoint.

[Second Rain](#) Elise Hempel, 2016-08-29

In Second Rain Elise Hempel gleans anecdotes of uncommon poignancy from the seemingly commonplace and crafts them into memorable poems Family settings and the world of nature are captured and shaped into insight through the poet's discerning eyes here an only child in her room with a lone and captive katydid here a feisty grandmother in the hospital here a father fond of household projects building two swimming pools a basketball hoop in the driveway and transforming the yard into a skating rink This inspirational debut collection charged with nostalgia and longing is fittingly finalist in the 2015 Able Muse Book Award PRAISE FOR SECOND RAIN The apparently domestic poems in Second Rain poems about family gardening dogs birds and a few memorable tigers deliver enough controlled intensity to shake the trees all down A special gift of Elise Hempel's art is to evoke and suggest passions without spelling them out we readers get

to unscramble the anagram to find the ache and our own corresponding ache beneath the poised surface Rachel Hadas author of Questions in the Vestibule Elise Hempel s curiosity and insights singled her out as special but her ability to shape her feelings into words remains what I find most unique From the opening title poem on this is a book about the often ignored simple gifts that come to us like the second rain that comes when the first is over that gentle scattering of drops the breeze shakes down from the trees and briefly blesses you Bruce Guernsey from the foreword author of From Rain Poems 1970 2010 From the title poem on Elise Hempel s Second Rain matches form with feeling delivering insights that seem at once inevitable and necessary Her sense of the sonnet its grace and shape lends quiet force to what s remembered and observed from a pet shop crow to memories of now absent loved ones mother daughter conflicts to the ambiguities of language itself Like the flock of geese described in one poem here Hempel s collection succeeds in many different keys James Scruton author of Thrift Through admirably controlled and marvelously controlling language the compressed imagery in Elise Hempel s powerfully compact poems subtly evokes emotional responses while the poet also smartly engages readers with an authentic and persuasive voice Indeed to borrow a phrase from the eighth and final line in the collection s title poem each piece in Second Rain briefly blesses you Edward Byrne author of Seeded Light *The Rainbow Through the Rain* Hugh Cameron,Edna Quammie,2020-02-10 Sheila was born in Toronto into a cold unemotional family where she was an unexpected and not entirely welcome afterthought Seeking parental attention she embarked on a self destructive path Eventually after many missteps she pulled herself together emigrated to the US got a student loan and graduated as a nurse To pay her student loans she joined the US military During her deployment to Afghanistan she was exposed to unspeakable horrors She fell in love with an army surgeon who had his own emotional problems In spite of suffering from obvious post traumatic stress disorder she resisted being invalided home in order to remain with him Attempting to rescue a child being sexually abused she accidentally killed a man In consequence she was given an other than honorable discharge OTH by the military Suffering from PTSD and addiction problems which she painfully overcame she obtained work in a nursing home where she fell under the spell of one of the residents who had a world weary cavalier view of life and who talked her into mercy killings the first of which was to protect him from a demented violent resident She eventually reunited with her lover who had also been discharged from the military They were beginning to settle down when through a tangled series of events she was arrested for the mercy killings and was jailed After she was freed from jail they reunited and lived quietly and happily for a time before becoming involved in a violent denouement in a terrorist hostage situation At heart this is a love story filled with all the dilemmas and uncertainties of death and the vicissitudes of life I love thee with the breath smiles tears of all my life And if God choose I shall but love thee better after death **The Wind and the Rain** ,1969 **An Exposition of the Old and New Testament: Wherein Each Chapter is Summed Up in Its Contents: Joshua-Esther. 1839** Matthew Henry,1839 *Treasure Book of Christmas Tales: 500+ Novels, Stories, Poems, Carols & Legends* Mark Twain,Beatrix
