Notification No 17 2004 Service Tax

India. Parliament. Rajya Sabha

Notification No 17 2004 Service Tax:

A Study of Service Tax in India and its Analysis Dr. Makarand Raghunath Sakhalkar, 2018-03-05 Based on recommendations made by Chelliah Committee on Tax Reforms Service Tax was introduced for the first time in the year 1994. It is a Union levy with a selective approach whereby it is applicable to selected categories of services and not to all the services. The system of levy and collection of Excise Duties on goods is in existence since 1944 under Central Excise Act 1944. However, the concept of levy and collection of Service Tax on paid services was introduced in India for the first time in 1994 by the then Finance Minister Dr. Manmohan Singh. It is a tax levied on the transaction of certain specified services by the Central Government under the Finance Act 1994. It is an indirect tax which means that normally the service provider pays the tax and recovers the amount from the recipient of taxable service.

Metamorphosis -Service Tax To Goods Services Tax Monish Bhalla, 2020-05-24 2006 to 2017 for 11 long years the Author wrote a weekly column in the leading English daily DNA Service Tax Simplified. Every week a recent burning issue, a new current problem and the challenge for finding a solution. A solution which had to be simple in lucid layman language. Many of his professional colleagues asked him why he gives a free solution in public. What he achieves in giving free advice. And His response A SMILE. Because that's what he gives to his readers when they find their solutions a smile on their tense faces. If his articles have brought back the smiles on the reader's faces if his articles have assisted them to resolve their service tax issues with the department without spending a penny if many articles have enriched the knowledge of his learned friends chartered accountants consultants tax professionals and his friends working with the service tax department then my efforts have been awarded. He has learned that Life is a journey a journey with no destination. It is this voyage one needs to learn to enjoy. As you read this compilation of over 450 articles you will experience the evolution of service tax as if a small caterpillar has metamorphosed into a butterfly.

Parliamentary Debates India. Parliament. Rajya Sabha, 2008 Special Economic Zones in India Arpita Mukherjee, Parthapratim Pal, Saubhik

Deb, Subhobrota Ray, Tanu M Goyal, 2016-07-14 This book examines India's ten years of experience developing Special Economic Zones (SEZs) and the performance of SEZs in the context of India's growing international engagement, its endeavours to attract domestic and foreign investment in manufacturing and services and its aim to increase and diversify exports of goods and services. SEZs are industrial enclaves/clusters within a country that receive certain incentives and business facilitation benefits that are not generally available to the rest of the country. To facilitate private and foreign investment in SEZs, India introduced the SEZ policy in 2000, which was followed by the SEZ Act in 2005. After ten years under the Act, India now has one of the largest number of approved SEZs in the world and its SEZ policy remains heatedly debated with a number of studies arguing both for and against it. Given this background, the book also identifies the challenges faced by SEZs in India and offers policy recommendations on how to make the SEZs an engine for India's economic growth and development that can more effectively link the country's manufacturing and services sectors to global value chains. **Guide to GST on Services (HSN Code wise taxability of all services)** Rakesh Garg, Sandeep Garg, 2021-09-20 **KEY FEATURES** 360 degree overview of the GST provisions on services Detailed HSN code Activity wise commentary on services in 28 chapters Exclusive chapters on exempt government agriculture and employees services Comprehensive discussion on important GST concepts on services Up-to-date notifications of Service Tax Rates and Exemptions Online chapters on CGST Act Rules and IGST Act Rules Scheme of Classification of Services Explanatory Notes at www.rgargsgarg.com **CONTENTS** Part A Concepts of GST Services Chapters A 1 to A 22 cover general provisions relating to services such as meaning, scope of supply, time, value, place of supply, levy, reverse charge, composition, input tax, export refund, registration, accounts etc. Part B HSN Code wise Guide on Services Chapters B 1 to B 28 comprises of critical analysis of HSN Code wise services through illustrations and tables Part C Rates Chapters containing up-to-date notifications of Service Tax Rates and Exemptions Part D Online Chapters Online chapters on CGST Act Rules and IGST Act Rules Scheme of Classification of Services and Explanatory Notes available at www.rgargsgarg.com *Internal Revenue Cumulative Bulletin* United States.
