Marginal People in Deviant Places Janice M. Irvine, 2022-07-25

Marginal People in Deviant Places revisits twentieth century ethnographic studies of deviance arguing that ethnographies that focus on marginal subcultures ranging from Los Angeles hoboes to men who have sex with other men in St Louis bathrooms to taxi dancers in Chicago to elderly Jews in Venice California produce new ways of thinking about social difference more broadly in the United States Irvine demonstrates how the social scientists who told the stories of these marginalized groups offered an early challenge to then dominant narratives of scientific racism and then offers a social history of certain American outsiders and a prehistory of the academic fields of ethnic studies and sexuality studies Through the stories Irvine recounts in this book she identifies an American paradox represented in a simultaneous desire for and rejection of outsiders and describes the rise of an outsider capitalism that integrates difference into American society by marketing it Place plays a crucial role in this work as Irvine examines its role in shaping ethnographies about outsiders and therefore understandings of social difference Irvine has visited the sites of each of the ethnographies about which she writes collecting photos videos and archival materials that will help readers understand the importance of place in the generation of particular ethnographic stories The open access online edition of this book is richly illustrated to help convey the deep sense of emplacement of the ethnographies discussed in this book and includes a series of interviews with sociologists about how

they conduct their work and understand their forebears

Telling Migrant Stories Esteban E. Loustaunau, Lauren E. Shaw, 2021-11-02 This book is a collection of edited theoretical essays on the power of contemporary documentary film to voice the social agency of Latin American immigrants to the United States and Europe and to reveal some of the global systemic conditions that generate mass migrations and lead to the dehumanization of undocumented immigrants Linking the function of documentary to represent immigrants as performing agents whose voices generally are not heard publicly this volume also features interviews with prominent documentarians whose films and videos respond to conditions of migration from a variety of perspectives

Jim Crow's Counterculture R. A. Lawson, 2010-11 In the late nineteenth century black musicians in the lower Mississippi Valley chafing under the social legal and economic restrictions of Jim Crow responded with a new musical form the blues In *Jim Crow's Counterculture* R A Lawson offers a cultural history of blues musicians in the segregation era explaining how by both accommodating and resisting Jim Crow life blues musicians created a counterculture to incubate and nurture ideas of black individuality and citizenship These individuals Lawson shows collectively demonstrate the African American struggle during the early twentieth century Derived from the music of the black working class and popularized by commercially successful songwriter W C Handy early blues provided a counterpoint to white supremacy by focusing on an anti work ethic that promoted a culture of individual escapism even hedonism and by celebrating the very culture of sex drugs and violence that whites feared According to Lawson blues musicians such as Charley Patton and Muddy Waters drew on traditions of southern black music including call and response forms but they didn't merely sing of a folk past Instead musicians saw blues as a way out of economic subservience Lawson chronicles the major historical developments that changed the Jim Crow South and thus the attitudes of the working class blacks who labored in that society The Great Migration the Great Depression and New Deal and two World Wars he explains shaped a new consciousness among southern blacks as they moved north fought overseas and gained better paid employment The me centered mentality of the early blues musicians increasingly became we centered as these musicians sought to enter mainstream American life by promoting hard work and patriotism Originally drawing the attention of only a few folklorists and music promoters popular black musicians in the 1940s such as Huddie Ledbetter and Big Bill Broonzy played music that increasingly reached across racial lines and in the process gained what segregationists had attempted to deny them the identity of American citizenship By uncovering the stories of artists who expressed much in their music but left little record in traditional historical sources *Jim Crow's Counterculture* offers a fresh perspective on the historical experiences of black Americans and provides a new understanding of the blues a shared music that offered a message of personal freedom to repressed citizens

Riding on Top Gordon McLean, 1999 During the thirty two years that Gordon McLean taught high school none of his colleagues or students suspected that beginning at age fifteen he had survived seven seasons of hoboing A bank manager's son the young McLean was driven only by boredom and a lust for adventure Hoboing was a colorful way of

life that is gone forever and there are only a diminishing few survivors who can explode the myths and tell us what it was really like McLean is one such survivor His experiences varied from audacious hilarious heart stopping thoughtful spiritual and almost mystical Now at age eighty the ex hobo still dreams of riding freights and has vivid memory flashbacks He has decided to share these memories with his very numerous very dear progeny Non relatives are welcome to kibitz Readers in addition to being highly entertained amused and moved will learn little known startling details about life and attitudes in out of the way places during the Depression that will amaze even old timers who lived through that era The young hobo was a keen sensitive observer and the octogenarian has been able to vividly recapture and communicate what the young bo experienced

One More Train to Ride Cliff (Oats) Williams,2009-09-18 Drawn from intimate interviews with 14 modern day steel rail nomads One More Train to Ride provides a revealing picture of today s American hobo Interspersed with their stories are original poems and songs echoing the ancient lyricism and loneliness of life on the road Their connections with the past make the experiences of these hoboes even more striking as they ride freight trains and jungle up in hobo camps light years away from the 21st century cyberworld yet touching the very core of American freedom and individualism Cliff Williams skillfully elicits details of family background motives and clear insights into the daily life and philosophy of the modern hobo With its evocative link to the past One More Train to Ride continues a long tradition of books on hobo oral history including Nels Anderson s *The Hobo* 1923 and Thomas Minehan s *Boy and Girl Tramps of America* 1934
