Mindell,2007-11-23 Although there are many books on getting baby to sleep Sleep Deprived No More focuses on someone else who isn t getting any rest the mom Organized trimester by trimester both during and after pregnancy this guide is straightforward accessibly written and easy to navigate so moms can quickly get the help and rest they need Covers sleep conditions common to pregnancy and afterward In addition to erratic feeding schedules causing moms to lose sleep there are many sleep issues specific to pregnancy and new motherhood including Restless Legs Syndrome Insomnia Sleep Apnea and more Tips and tricks for making it through the day Mindell also gives moms the lowdown on how to catch up on sleep and stay focused throughout the day even if you re waking up every few hours at night Includes sleep advice for baby too Included also is the author s expert advice on the best ways to get baby to sleep through the night making this an all in one resource **More Than Two to Tango** Anahí Viladrich,2013-09-26 The world of Argentine tango presents a glamorous fa ade of music and movement Yet the immigrant artists whose livelihoods depend on the US tango industry receive little attention beyond their enigmatic public personas More Than Two to Tango offers a detailed portrait of Argentine immigrants for whom tango is both an art form and a means of survival Based on a highly visible group of performers within the almost hidden population of Argentines in the United States More than Two to Tango addresses broader questions on the understudied role of informal webs in the entertainment field Through the voices of both early generations of immigrants and the latest wave of newcomers Anah Viladrich explores how the dancers musicians and singers utilize their complex social networks to survive as artists and immigrants She reveals a diverse community navigating issues of identity class and race as they struggle with practical concerns such as the high cost of living in New York City and affordable health care Argentina s social history serves as the compelling backdrop for understanding the trajectory of tango performers and Viladrich uses these foundations to explore their current unified front to keep tango as their own authentic expression Yet social ties are no panacea for struggling immigrants Even as More Than Two to Tango offers the notion that each person is truly conceived and transformed by their journeys around the globe it challenges rosy portraits of Argentine tango artists by uncovering how their glamorous representations veil their difficulties to make ends meet in the global

entertainment industry In the end the portrait of Argentine tango performers diverse career paths contributes to our larger understanding of who may attain the American Dream and redefines what that means for tango artists *Being Female* Rita Baron-Faust,1999-06-23 Award winning medical journalist Rita Baron Faust demystifies the female reproductive system in this accessible resource for women of all ages With emphasis on preventive care Baron Faust addresses common concerns including fibroids urinary tract infections and PMS as well as more serious health issues including breast ovarian cervical and uterine cancers endometriosis STDs infertility and sexual dysfunction She offers clear explanations of new tests and treatments including hormone replacement therapy fertility procedures and gynecologic surgeries Amid increasing health care costs and the constant confusing barrage of new medical information *Being Female* gives women the knowledge they need to receive the best care *Handbook on the International Political Economy of Gender* Juanita Elias,Adrienne Roberts,2018-02-23 This Handbook brings together leading interdisciplinary scholarship on the gendered nature of the international political economy Spanning a wide range of theoretical traditions and empirical foci it explores the multifaceted ways in which gender relations constitute and are shaped by global politico economic processes It further interrogates the gendered ideologies and discourses that underpin everyday practices from the local to the global The chapters in this collection identify analyse critique and challenge gender based inequalities whilst also highlighting the intersectional nature of gendered oppressions in the contemporary world order **Outwitting Insomnia** , Ellen Mohr Catalano in tandem with expert medical consultants explains in clear language the many reasons that contribute to sleeplessness and provides specific instructions and advice on all the classic remedies as well as the very latest techniques including sleep hygiene relaxation for sleep self hypnosis imagery and meditation managing obsessions medications for sleep complimentary and alternative medicine and sedating things to do while awake P 4 of cover *The Only 127 Things You Need* Donna Wilkinson,2008-05-15 For *The Only 127 Things You Need* author Donna Wilkinson spoke to more than fifty experts authorities on the mind the body and the spirit to discover the absolute essential items for living a good life Ever wish you could strip you life down to just the bare essentials that you could de clutter not just the physical items littering your home but the endless to do lists flooding your mind But what to throw away And what to keep This miracle of a book includes expert opinions on what s essential in life from Dr Gail Saltz and Martha Beck the mind Dr Christiane Northrup and Dr Andrew Weil the body Rabbi Harold Kushner and Thomas Moore the spirit For so many of us it s hard to move forward with the important things in life without first paring down and straightening up With this complete guide to life s essentials it will finally be possible to see the forest for all those trees *Sleep Solutions for Your Baby, Toddler and Preschooler* Ann Douglas,2010-01-05 Finally a no worry no guilt guide to sleep There s no such thing as a one size fits all sleep solution That s why *Sleep Solutions for Your Baby Toddler and Preschooler* provides you with the tools you need to come up with a customized sleep solution that takes into account your child s temperament your parenting philosophies and the rest of your life You ll also get the lowdown on the
