 Plus maintenance the limits to water and dust resistance The good thing about this beautifully designed book is that the
 author presents the information in such a way that even kids will understand **Samsung Galaxy Note 10/10 Plus User
 Guide** Bruce Gareth,2019-08-25 The Galaxy Note 10 isn t just thinner and lighter than the Note 9 but it s one of the most
 compact phones ever Samsung built the Galaxy Note brand on delivering the best big screen phones around The 6.3 inch
 Note 10 is one of the most compact big screen phones yet thanks to its nearly bezel free Infinity O screen and some features
 Samsung left on the cutting room floor The Note 10 also boasts several S Pen enhancements including gestures a better
 camera for video recording outstanding hardware excellent battery life and an easier way to mirror the phone on a PC

However these devices pack so much inside that setting up and personalizing your Galaxy Note 10 can be an intimidating process especially if you don't know where the pertinent settings can be found For instance all the phone's buttons are on the left side of the Note 10 plus Pressing and holding the power button activates Bixby instead of offering power options So there is a learning curve in getting used to the Note 10 Plus layout This complete step by step guide will guide you through all the basics and advance tips and tricks to master your device like a pro Add this guide to your library now and make the most of your device

Samsung Galaxy S8 Binary Publisher LLC,2018-11-04 Congratulations to you for becoming the owner of one of the most advanced pieces of technology that exist The Samsung Galaxy S8 Unfortunately many owners of the S8 will never actually use the majority of its capabilities The Samsung Galaxy S8 Complete Unofficial Guide aims to change that by providing you easy to follow step by step instructions designed to help you master the Galaxy S8's most important features quickly If you have used a previous generation of the Galaxy such as the infamous S7 S6 S5 or other models then this guide will show you exactly what has changed If on the other hand you have never used a Galaxy device before this guide will help you to determine if the Galaxy S8 is the right model of smart phone for you Previous use of a Samsung smart phone device is helpful but certainly not required This book was written to make you familiar with the different features and functions of the Samsung galaxy S8 and S8 edge As you already know that in this world everyone strives to have the best phone than the other Everyone wants to have the latest model of the smartphone be it a Samsung apple or any other brand of cell phone Sometimes people might find it difficult to understand the latest models of the cell phones that they have bought and this is why this book has been written The purpose of this book was to let everyone use a cell phone with the same efficacy as the rest It makes it easier for you to understand your smartphone as it has all your questions and queries answered at one place This book has touched every single portion and topic of your new Samsung Galaxy S8 It has described every option every feature and every function that will be available on your phone And to make it further easier for our readers this book was divided into separate chapters for people who want to know about their Samsung galaxy S8 and Samsung galaxy S8 edge
