Handbook of Nigerian Labour Relations Dafe Ootoba, 2025-09-24 We attempt here to bring together a practical blend of essential theorising in the broad area of industrial relations or labour relations or employment relations depending on one's preference with practical issues and challenges facing trade unions public and private employers regulatory agencies and concerned interests in the Nigerian economy The Handbook is also a quick access resource pool of basic facts essential official policies basic national laws on and all international labour conventions relevant to Nigerian tripartite labour relations Employers and their associations labour organisations regulatory agencies relevant local and international experts and academics consultants researchers and students among others should find this book useful Quality Education ,

International Journal of Economic and Political Integration , Democratic Governance and Political Participation in Nigeria 1999 - 2014 Femi Omotoso, Michael Kehinde, 2016-05-21 The year 1999 was a watershed in the history of Nigeria as it witnessed the peaceful transfer of power from the military to the political class Given Nigerias tumultuous history of successive military interventions this development was the first genuine transition that saw the military elite transferring political power to civilians without itching to stage a comeback This edited volume composed of 22 chapters discusses the form trajectory and substance of democratic governance in post military Nigeria between 1999 and 2014 It is a compilation of well researched essays and narratives on Nigerian government and politics The book is a multi disciplinary assessment of Nigerias democratic strides including contributions from scholars in a broad range of disciplines such as history sociology and anthropology political science economics international relations among others The book examines the factors responsible for the resilience of the current democratic governance structures in spite of centripetal and centrifugal forces frustrating democratic consolidation in the country It equally interrogates these factors and makes appropriate recommendations for overcoming them Key themes covered in the book in the Boko Haram insurgency governance and corruption militancy sharia law Islamic banking amongst others It sheds light on contending issues affecting afflicting and retarding the countrys progress Issues like ethnicity electoral corruption human rights abuses privatization of national assets kidnapping and armed robbery overbearing leadership personality and many more are critically discussed Local government autonomy and the challenges of grassroots development and civil service administration are also thoroughly analysed Democratic Governance and Political Participation in Nigeria 1999 2014 is a detailed exhaustive deep stimulating and captivating narrative of the Nigerian situation It is enthusiastically recommended for those who wish to know more about contemporary Nigerian history As a collection of contemporary issues on the Nigerian government and politics the book is recommended for courses in politics and governance in Nigeria in particular and Africa in general It is an invaluable companion for both graduate and undergraduate students as well as scholars of African politics **A New Scramble for Africa?** Sören Scholvin, 2016-03-03 Global energy consumption will increase rapidly in the next decades The discrepancy between demand and supply is

worrisome within the old and new cores of the world economy Sub Saharan Africa meanwhile possesses vast potential for energy resources to be further exploited Whilst the Global North is a traditional player in the sub Saharan energy sector new actors from emerging economies especially China s state owned enterprises but also Brazilian Indian and South African giants have entered what appears to be a scramble for the largely untapped energy resources of the region This book is the first to bring together comparative perspectives on The strategies of state and non state actors involved in the exploitation of sub Saharan energy resources The potential and pitfalls of new forms of cooperation on energy southwards of the Sahara The domestic opportunities and challenges of the present energy resource boom Dynamics on the international level are brought together with local developments to provide up to date insights on the scramble for energy resources in sub Saharan Africa This book also advances a materialist approach applicable in geographical and political scientific research showing that much insight can be gained by concentrating on the material environment that shapes economic and political phenomena

Africa Guide ,1978 The Power from the Top Esther Pieterse,2015-03-13 Anti Corruption and Compliance programmes in multinational companies have become a common standard In order for these programmes to be effective international guidelines and best practice provide that Top Management needs to demonstrate Tone from the Top However it remains unresolved what Tone from the Top implies in practice and how it influences the effectiveness of anti corruption This book explores theoretically and empirically what Tone from the Top means and how it can influence decision making with respect to corruption Data was obtained from Nigerian managers within the oil and gas industry when facing corruption in an experimental environment An innovative research design the Drill Bit Business Simulation was applied which imitates the realities and corruption opportunities of the Nigerian oil and gas sector Results show how Tone from the Top influences moral and social motivations which in turn steer the decision of managers whether to engage in corruption On the basis of these new insights on corrupt decision making in companies and the influence of Tone from the Top this book provides practical recommendations on how anti corruption programmes can be designed to become more effective **Philosophy of a New Past and an Old Future** Campbell S.
