Obscure Corners And Crevices:

Obscure Corners and Crevices Linda Leven, 2014-05-30 What in the World In this her first book of short stories or fragments of life inspired by true events Leven successfully applies her unique ability to turn the ordinary into the extraordinary Customary events of life mutate into those that are bewildering stupefying erotic and yet profound events that diverge off the beaten path and baffle all ordinary description A lovers pact a job interview a student teacher relationship an audition a visit to a new art gallery a relationship between old high school chums a neighbors dispute all mushroom into the farcical the grim and the inconceivable In *Obscure Corners and Crevices* Leven offers her readers nine portraits of normal intelligent introspective individuals who end up enmeshed in usual life situations that unexpectedly warp into the incredible into events that most of her readers will never have experienced guaranteed Her characters along with her readers are enveloped in a detailed anatomy of the human heart and mind through meticulously painted events dialogue and a unique philosophy that permeates all of Levens writings The tales whether dramatic extravagant or droll all maintain a lofty profundity and soaring level of suspense until the unforeseen final denouement

Secret Dallas: A Guide to the Weird, Wonderful, and Obscure Mark Stuertz, 2018-04-15 Take an excursion through the weird the wry and the wonderful idiosyncrasies that comprise the Big D From the Playboy Marfa bunny with a muscle car sculpture to the ceaseless failed attempts to navigate the Trinity River to the invention of the computer chip and German chocolate cake Dallas is the birthplace of the whimsical the wistful and the profound *Secret Dallas* answers questions about Big D you never knew you had catapulting you through a portfolio of little known but fascinating people places episodes and artifacts Think of it as a scavenger hunt travelogue providing insights into hidden rhinestones and diamonds in the caliche *Secret Dallas* is a riveting excursion into the city s odds and ends where the rare and the phenomenal express the big the bold and the brash in everyone

Blackwood's Edinburgh Magazine ,1862 *Blackwood's Edinburgh Magazine* ,1862 *Linda* Linda Leven, 2014-11-06 It was upon moving to New York City from my hometown of Pittsburgh that I first noticed this strange phenomenon In Pittsburgh I mostly rode around in a car driven by my mother or father But in New York arriving at the age of 19 I walked the streets and rode the subways mixing with the citizenry of the famous city It was then that I first became aware of it People continuously stared at me Or they yelled out comments or mumbled them under their breath as they passed Or they simply made faces grimaced smiled laughed looked puzzled angry bewildered amused or showed disdain and contempt Or they would pass me and then stop to look back or look over their shoulder as they walked For sure traversing the streets of the great city I seemed to create for others a mini sideshow of sorts But why were they staring at me And why were they yelling out comments And why were they making faces I remember many times moving from the middle of the sidewalk into a sheltered doorway fumbling in my purse for my mirror and then looking to see what was wrong Why was I causing a commotion Maybe a bird has pooped into my hair Maybe I have a huge black spot of city soot on my face Maybe my

makeup is smeared in some amusing way Maybe my hair has blown around to create some bizarre hair do Such were my thoughts But never could I find anything strange I just saw my face as I had always seen it Granted I did wear a lot of makeup an almost white makeup base green eye shadow black mascara pink rouge red lipstick and heavy black eyeliner top and bottom But New York had lots of theatrical people actresses Broadway dancers theater performers who wore makeup I didn't think my makeup to be that extreme or outstanding in any way Indeed I had seen far more interesting makeup than mine

Recreative Science; a Record and Remembrancer of Intellectual Observation, 1862 **Yoga for Arthritis**
Loren Fishman, Ellen Saltonstall, 2013-12-16 A comprehensive user friendly medical yoga program designed for management and prevention of arthritis Arthritis restricts movement yoga increases range of motion these two were made for each other Arthritis is the leading cause of disability in this country limiting everyday activities for more than seven million Americans Drugs surgeries and steroids can alleviate some of the discomforts but study after study has shown that exercise is most beneficial to most forms of arthritis specifically low impact flexibility enhancing exercises hence yoga In this comprehensive and thoroughly illustrated guide Loren Fishman and Ellen Saltonstall who between them have seven decades of clinical experience help readers understand arthritis and give a spectrum of exercises for beginners and experts Broken down into chapters focusing on each major joint there are 100 classical yoga poses and numerous imaginative and physiologically sound adapted poses all with step by step instructions and easy to follow photo demonstrations The authors welcome readers into the philosophy and principles of yoga and show how to use yoga to find lasting relief from arthritis

Popular Ornithology: containing a familiar and technical description of the Birds of the British Isles Philip Henry Gosse, 1849 *Popular British ornithology* Philip Henry Gosse, 1849 **Popular ornithology. Popular British ornithology ... Second edition** Philip Henry Gosse, 1853 Recreative Science, 1862 **In Heaven Everything Is Fine** Josh Frank, 2008-09-04 On March 3 1983 Peter Ivers was found bludgeoned to death in his loft in downtown Los Angeles ending a short lived but essential pop cultural moment that has been all but lost to history For the two years leading up to his murder Ivers had hosted the underground but increasingly popular LA based music and sketch comedy cable show New Wave Theatre The late 70s through early 80s was an explosive time for pop culture Saturday Night Live and National Lampoon were leading a comedy renaissance while punk rock and new wave were turning the music world on its head New Wave Theatre brought together for the first time comedians turned Hollywood players like John Belushi Chevy Chase and Harold Ramis with West Coast punk rockers Black Flag the Dead Kennedys Fear and others thus transforming music and comedy forever The show was a jubilant chaotic punk experimental comedy cabaret and Ivers was its charismatic leader and muse He was in fact the only person with the vision the generosity of spirit and the myriad of talented friends to bring together these two very different but equally influential worlds and with his death the improbable and electric union of punk and comedy came to an end The magnetic impishly brilliant Ivers was a respected musician and composer in addition to several albums he wrote the music

for the centerpiece song of David Lynch's cult classic *Eraserhead* whose sublime and bizarre creativity was evident in everything he did. He was surrounded by people who loved him; many of them luminaries, his best friend from his Harvard days was Doug Kenney, founder of *National Lampoon*; he was also close to Harold Ramis and John Belushi. Upon his death Ivers was just beginning to get mainstream recognition. *In Heaven Everything Is Fine* is the first book to explore both the fertile gritty scene that began and ended with New Wave Theatre and the life and death of its guiding spirit. Josh Frank, author of *Fool the World: The Oral History of a Band Called Pixies*, interviewed hundreds of people from Ivers's circle including Jello Biafra, Stockard Channing, and David Lynch, and we hear in their own words about Ivers and the marvelous world he inhabited. He also spoke with the Los Angeles Police Department about Ivers's still unsolved murder, and as a result of his research, the Cold Case Unit has reopened the investigation. *In Heaven Everything Is Fine* is a riveting account of a gifted artist, his tragic death, and a little-known yet crucial chapter in American pop history. **Oil and Marble** Stephanie Storey, 2016-03-01 From 1501 to 1505, Leonardo da Vinci and Michelangelo Buonarroti both lived and worked in Florence. Leonardo was a charming, handsome fifty-year-old at the peak of his career; Michelangelo was a temperamental sculptor in his mid-twenties, desperate to make a name for himself. The two despise each other. Front jacket flap **The Library Magazine of American and Foreign Thought**, 1883 Sapphic Fathers Gretchen Schultz, 2015-01-01 Gretchen Schultz explores how male writers and their readers in late nineteenth-century France took lesbianism as a cipher for apprehensions about sex and gender during a time of social and political upheaval. **The Sunny South, Or, The Southerner at Home** Joseph Holt Ingraham, 1860 Practical Guide to Industrial Boiler Systems Ralph Vandagriff, 2001-04-18 This volume covers the fundamentals of boiler systems and gathers hard-to-find facts and observations for designing, constructing, and operating industrial power plants in the United States and overseas. It contains formulas and spreadsheets outlining combustion points of natural gas, oil, and solid fuel beds. It also includes a boiler operator's tra *Murder With Relish* Guy Cullingford, 2015-11-14 Mrs. Bonnet was renowned for the delicacies she concocted in her semi-basement kitchen, but never did she imagine she would serve up murder to her beloved mistress. But when Mrs. Bonnet, who has the lightest touch with pastry, tries her hand at the science of detection, she does so with astonishing results. The Canadian Patent Office Record and Mechanics' Magazine, 1884 Hidden in His Own Story Andrew Walton, 2016-11-22 *Hidden in His Own Story* is an invitation to reconsider and re-imagine both the humanity and divinity of Jesus. It is an invitation to people who are not familiar with the Bible stories and have only heard them through other sources, also to many who have rejected traditional interpretations of the stories as religious dogma, and to many people who are so steeped in the stories that they have become cliché. Even the most clever storyteller or writer of fiction can never totally disguise or deny their personal influence on the story. And most of us have had the experience of someone beginning a story with "I know a person who," when in fact that person is the one telling the story. Why not imagine the same when Jesus says, "Once there was a man..."

Obscure Corners And Crevices Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is really remarkable.
