Don't forget that Valentine's Day lasts all day long and you can whip up a wonderful breakfast brunch or lunch too. Make the whole day a memorable one with special food treats. Many of the menu plans have elements that can be done ahead to make the preparation a little easier on the day. You can also enlist the help of your Honey if you like to cook together in the kitchen. The recipes are a little upscale but not so difficult that a novice cook can't prepare them. The book comes with menu plans to take some of the stress out of planning your romantic feast. Shopping lists are also included if you're in a hurry and don't have time to write it all down before going to the market. Even though this is a Valentine's Day recipe book, you'll find yourself going back to the menus and recipes over and over again any time you want to make something special for the people you love.

When Search Meets Web Usability Shari Thurow, Nick Musica, 2009-04-08. This book delivers a proactive approach to building an effective Web site that is search engine friendly and will result in better search rankings. It outlines the steps needed to bridge the gap between a Google search and a Web site and also improve the user's experience once they get to the site. By understanding the wide variety of information seeking strategies and the individual behaviors associated with them, this book helps information architects, Web designers, developers, SEOs, SEMs, and usability professionals build better interfaces and functionality into Web sites. Creating a satisfying user experience is the key to maximizing search effectiveness and getting conversions.
