room for decadent baked pastas topped with molten cheese all before a procession of chicken parm or pork chops all pizzaiola and we haven't even gotten to dessert. It's old school cooking beloved by many and imbued with a deep sense of family. In Italian American Angie Rito and Scott Tacinelli, the chefs of critically acclaimed Don Angie in New York City's West Village, reinvigorate the genre with a modern point of view that proudly straddles the line between Italian and American. They present family classics passed down through generations side by side with creative spins and riffs inspired by influences both old and new. These comforting dishes feel familiar but are far from expected, including their signature pinwheel lasagna ribs glazed with orange and Campari, saucy shrimp parm meatballs, and a cheesy bubbling gratin of broccoli rabe and sharp provolone. Full of family history and recipes that will inspire a new generation, Italian American provides an essential, spirited introduction to an unforgettable way of cooking.

[Lidia's Italy in America](#) Lidia Matticchio Bastianich, Tanya Bastianich Manuali, 2011-10-25. From one of America's most beloved chefs and authors, a road trip into the heart of Italian American cooking today, from Chicago deep dish pizza to the Bronx's eggplant parm, celebrating the communities that redefined what we know as Italian food. As she explores this utterly delectable and distinctive cuisine, Lidia shows us that every kitchen is different, every Italian community distinct, and little clues are buried in each dish: the Sicilian style semolina bread and briny olives in New Orleans, Muffuletta sandwiches, the Neapolitan crust of New York pizza, and mushrooms abundant in the United States but scarce in Italy, stuffed with breadcrumbs just as peppers or tomatoes are. Lidia shows us how this cuisine is an original American creation and gives recognition where it is long overdue to the many industrious Italians across the country who have honored the traditions of their homeland in a delicious new style. And of course, there are Lidia's irresistible recipes, including Baltimore Crab Cakes, Pittsburgh's Primanti's sandwiches, Chicago Deep Dish Pizza, Eggplant Parmigiana from the Bronx, Gloucester Baked Halibut, Chicken Trombino from Philadelphia, authentic Italian American Meatloaf and Spaghetti and Meatballs, Prickly Pear Granita from California, and of course, a handful of cheesecakes and cookies that you'd recognize in any classic Italian bakery. This is a loving exploration of a fascinating cuisine as only Lidia could give us.
