Richard Nixon John A. Farrell, 2017-03-28 PULITZER PRIZE FINALIST From a prize winning biographer comes the defining portrait of a man who led America in a time of turmoil and left us a darker age We live today John A Farrell shows in a world Richard Nixon made At the end of WWII navy lieutenant Nick Nixon returned from the Pacific and set his cap at Congress an idealistic dreamer seeking to build a better world Yet amid the turns of that now legendary 1946 campaign Nixon s finer attributes gave way to unapologetic ruthlessness The story of that transformation is the stunning overture to John A Farrell s magisterial biography of the president who came to embody postwar American resentment and division Within four years of his first victory Nixon was a U S senator in six the vice president of the United States of America Few came so far so fast and so alone Farrell writes Nixon s sins as a candidate were legion and in one unlawful secret plot as Farrell reveals here Nixon acted to prolong the Vietnam War for his own political purposes Finally elected president in 1969 Nixon packed his staff with bright young men who devised forward thinking reforms addressing health care welfare civil rights and protection of the environment It was a fine legacy but Nixon cared little for it He aspired to make his mark on the world stage instead and his 1972 opening to China was the first great crack in the Cold War Nixon had another legacy too an America divided and polarized He was elected to end the war in Vietnam but his bombing of Cambodia and Laos enraged the antiwar movement It was Nixon who launched the McCarthy era who played white against black with a southern strategy and spurred the Silent Majority to despise and distrust the country s elites Ever insecure and increasingly paranoid he persuaded Americans to gnaw as he did on grievances and to look at one another as enemies Finally in August 1974 after two years of the mesmerizing intrigue and scandal of Watergate Nixon became the only president to resign in disgrace Richard Nixon is a gripping and unsparing portrayal of our darkest president Meticulously researched brilliantly crafted and offering fresh

revelations it will be hailed as a master work *Nixon* Jonathan Aitken,2015-10-19 The rise fall and rebirth of Richard Nixon is perhaps the most fascinating story in American politics and perhaps the most misunderstood Nixon *A Life* is the first entirely objective biography of Richard Nixon Former British Defense Minister Jonathan Aitken conducted over sixty hours of interviews with the impeached former president and was granted unprecedented access to thousands of pages of Nixon s previously sealed private documents Nixon reveals to Aitken why he didn t burn the Watergate tapes how he felt when he resigned the presidency his driving spiritual beliefs and more Nixon *A Life* breaks important new ground as a major work of political biography inspiring historians to recognize the outstanding diplomatic achievements of a man whose journey from tainted politician to respected foreign policy expert and elder statesman was nothing short of remarkable *A Companion to Richard M. Nixon* Melvin Small,2013-05-03 This companion offers an overview of Richard M Nixon s life presidency and legacy as well as a detailed look at the evolution and current state of Nixon scholarship Examines the central arguments and scholarly debates that surround his term in office Explores Nixon s legacy and the historical significance of his years as president Covers the full range of topics from his campaigns for Congress to his career as Vice President to his presidency and Watergate Makes extensive use of the recent paper and electronic releases from the Nixon Presidential Materials Project

Richard Nixon Tamara L. Britton,2020-08-01 This biography introduces readers to Richard Nixon including his military service early political career and key events from Nixon s administration including his debates with John F Kennedy the Vietnam War the Watergate scandal and his resignation Information about his childhood family personal life and retirement years is included A timeline fast facts and sidebars provide additional information Aligned to Common Core Standards and correlated to state standards Checkerboard Library is an imprint of Abdo Publishing a division of ABDO ***The Invincible Quest*** Conrad Black,2009-02-24 *The Invincible Quest* is an authoritative biography of one of the most accomplished and controversial leaders of the twentieth century Beginning with Richard Nixon s birth to Quaker parents in 1913 and ending with his death in 1994 Conrad Black traces Nixon s career assessing both his achievements and the evolution of popular and historical thinking about him since his death Drawing on recently opened tapes and documents and on Black s personal interviews with many of the major players in Nixon s administration *The Invincible Quest* reveals a new side of Nixon a man who didn t have the advantage of charisma but was surprisingly self assured and effective a man dogged by political scandal yet seemingly unstoppable Opinionated balanced and perceptive *The Invincible Quest* makes a significant contribution to re evaluating the idiosyncratic president s entire eventful career ***Richard M. Nixon*** Conrad Black,2008-10-23 From the late 1940s to the mid 1970s Richard Nixon was a polarizing figure in American politics admired for his intelligence savvy and strategic skill and reviled for his shady manner and cutthroat tactics Conrad Black whose epic biography of FDR was widely acclaimed as a masterpiece now separates the good in Nixon his foreign initiatives some of his domestic policies and his firm political hand from the sinister in a book likely to generate enormous attention and controversy Black believes the hounding

of Nixon from office was partly political retribution from a lifetime's worth of enemies and Nixon's misplaced loyalty to unworthy subordinates and not clearly the consequence of crimes in which he participated. Conrad Black's own recent legal travails though hardly comparable have undoubtedly given him an unusual insight into the pressures faced by Nixon in his last two years as president and the first few years of his retirement. *Richard Nixon* Hourly History, 2017-05-16

He's the president with the asterisk by his name Richard Milhous Nixon the only U.S. president to resign from office. But Richard Nixon's legacy to the history of the United States is much more complicated than the scandal of Watergate. His is the classic story of American legend of a young man who rose from his humble roots to achieve power and influence. Inside you will read about The Have Not Nixon Nixon Rising Vice President The Election of 1960 President at Last Watergate Nixon in Disgrace And much more. The story has tinges of Horatio Alger but also of Machiavelli and that may be the enigma of Richard Nixon the student who was offered scholarships to Ivy League schools but couldn't afford to go there forever embedding within him the resentment against his political opponents such as John F. Kennedy who did the politician who helped to bring the Republican Party back into power after the Roosevelt years but who didn't shy away from dirty tricks in order to win election the dogged diligent candidate who had his facts in order but couldn't compete on television with the telegenic JFK the anti communist who negotiated treaties with the Soviet Union and opened the door to China the stigma of presidential abuse during the Watergate investigation and the rehabilitation as the elder statesmen of American politics in the post Watergate years. Was Nixon a villain or a hero? Meet the president whose personality consisted of conflicting layers of pragmatism patriotism self doubt and a fall from grace that roiled American democracy. **The Real Nixon** Bela Kornitzer, 1960

Expresses his background and family life mentioning only briefly some of his political activities. *Richard Nixon* Antoine Coppelani, 2013

Prince des ténébres A maints regards Richard Nixon est entré dans l'Histoire comme une figure mal fiquée. Seul président américain avoir jamais été contraint à démission son nom reste attaché au scandale du Watergate. Mais sur toute son œuvre flotte comme un parfum de soufre. Sa fulgurante ascension politique s'est faite aux pires heures de l'anticommunisme de Guerre froide et du maccarthysme. Sa présidence s'est déroulée aux pires heures de la guerre du Vietnam alors que l'Amérique déchirait au creux de la vague. Sa politique étrangère jugée sanglante a été conspuée. Et il est vrai que Nixon et son médiaman Henry Kissinger ne sont pas pour rien dans la fin tragique de Salvador Allende. Entre autres. Pourtant Nixon voulait être un homme de paix et son bilan en politique étrangère est aussi marqué par des succès extraordinaires l'entrée du monde dans la Détente le spectaculaire rapprochement avec la République populaire de Chine de Mao Zedong la fin de la guerre du Vietnam la conclusion des accords de désarmement avec l'Union soviétique la diplomatie des sommets l'amorce du processus de paix au Proche Orient. En politique intérieure encore Nixon est plus que le Watergate et son œuvre à tracer. Il incarne un type de républicain aux politiques plutôt centristes voire progressistes dans le domaine social. Un positionnement politique qui a aujourd'hui pratiquement disparu en raison des dérives droitières successives du Parti républicain depuis cette époque. A

la lumière d'archives et de sources nouvelles cette monumentale biographie de Nixon retrace l'histoire des États-Unis au XX^e siècle et certaines des tapes les plus importantes de l'histoire des relations internationales celles qui ont forgé notre monde actuel
