Logizomai Kyle McDanell, 2010-10-14 Logizomai is the Greek word meaning to reckon or to reason The Apostle John identifies Jesus as the Logos John 1:1-14 the Divine Word To most Christians in the West today Christianity is nothing more than a duty a feeling a

name badge or something one does on Sunday s But Christianity is more than that Christianity is a complete worldview that makes sense of the world A right theology results in a right understanding of the world and the gospel is that right theology The Church is sick because she is shallow What we need is a logizomai faith a reasonable faith Such a reasonable faith encounters hardships with perseverance animosity with love and evangelism with Spirit filled skill Most refuse to share their faith because they don t understand it and are unable to articulate it If Christianity is logizomai then the issues we face today present no real challenge We must therefore learn to apply the truths of the gospel to our dying hurting world To do so we must have reason rooted in the gospel and inspired by the cross

Ole Wives Tales Forrest Davis,2011-11-23 I define Ole Wives Tales as a belief or practice that is not completely supported by the bible Have you ever heard someone say I don t care what the bible says I know what I ve been taught If so you were a witness to an Ole Wives Tale in action I used the word completely in the first sentence because most of the ole tales rely on excerpts from scripture to support their conclusions Jesus taught us that the whole bible must be merged into a consensus about any subject that is taught He illustrated that when He was being tempted by Satan and also when He exchanged views with the Chief Priests and their lawyers In each of those examples Jesus answered their quoting of scripture by declaring Have you not also heard and went on to quote other scripture that constructed a completely different consolidated conclusion He taught us one can t pick and choose stand alone excerpts from the bible without verifying them with the balance and consensus of everything else taught about the same subject Not to believe that is to endorse another Ole Wives Tale
