Richard Harris The Biography:

Richard Harris Michael Feeney Callan, 2014 The intimate biography of the celebrated actor Richard Harris written with his cooperation over ten years by New York Times bestselling author and friend of Harris Michael Feeney Callan The book follows Harris life from humble beginnings in Limerick Ireland through the teenage illness that almost killed him to triumph on the London stage and finally life in Hollywood Drawing on lengthy interview sessions with Harris and his friends co workers and family Callan explores the obsessions that forged Harris success in legendary movies like This Sporting Life Camelot and the megahit Harry Potter series Described by The Guardian as thorough and entertaining by Kirkus Reviews as meticulous and by the Mail on Sunday as irresistible this incident packed account is destined to remain the definitive Life of Richard Harris Thorough and entertaining Guardian Irresistible Mail on Sunday Meticulous Kirkus Reviews **Richard Harris** Joe Jackson, 2022-11-18 In 1987 when Richard Harris the legendary star of This Sporting Life The Field and Harry Potter and the Philosopher s Stone was interviewed for the first time by Joe Jackson they almost came to blows Jackson was determined to unearth deeper truths about the actor than he usually disclosed during interviews Harris had manipulated the media all his life largely to keep people from getting to really know him However by the time that interview ended they had become firm friends It was only then that Jackson told Harris I want to show the public that there is far more to you than your superficial image as a boozing brawling womaniser Harris loved this idea and two years later he asked Jackson to write his biography Richard Harris Raising Hell and Reaching for Heaven is that biography But it is much more besides Based on a searingly honest series of interviews Jackson recorded with Harris between 1987 and 2001 plus the author s journal entries and extensive notes this book is also a part memoir that tells a highly personal and moving back story about why it was inevitable that Jackson and Harris would connect at the deepest possible level This book will finally prove beyond a doubt that there was far more to Richard Harris indisputably one of Ireland s greatest actors as well as a Grammy award winning recording artist and published poet than has previously been revealed A Man Called Harris Michael Sheridan, Anthony Galvin, 2013-09-01 Richard Harris was a giant who oozed charisma on screen But off screen he was troubled and addicted to every pleasure life could offer Coming from a repressed Irish Catholic background he was forced by a teenage illness to abandon his beloved rugby but not his macho appetites Discovering theatre saved him He had found his calling Despite marrying the daughter of a peer he never tried to fit in He was always a hell raiser to the core along with legendary buddies Richard Burton and Peter O Toole But he was more he was a gifted poet and singer He was an intelligent family man who took great interest in his craft a Renaissance man of the film world Every time his excesses threatened to kill his career and himself he rose magnificently from the ashes first with an Oscar winning performance as Bull McCabe in The Field then in the Harry Potter franchise **Richard Harris** Michael Feeney Callan, 1990 Behaving Badly: Richard Harris Cliff Goodwin, 2011-05-31 Richard Harris was never an easy person to get along with He was a difficult schoolboy and was later

disowned by his Limerick teachers then he went to work in the family flour and milling business where he organised a strike against his father. It was as a gifted and compelling actor that Richard Harris dominated stage and screen for more than four decades. He was nominated for an Oscar twice for his earthy portrayal of a rugby player in *This Sporting Life* and as a dominant and bullish Irish farmer in *The Field*. More recently he delivered gripping screen performances in *Gladiator* and two Harry Potter films. But it was his violent drunken womanising private life that fed the public myth and made Harris one of a new breed of rogue male actors, an international celebrity. Married and divorced twice with three sons, two actors, one a film director, he claimed the only time he had been miscast was as a husband. His lovers included legends such as Merle Oberon, Sophia Loren, Ava Gardner and Vanessa Redgrave.

Richard Harris Michael Feeney Callan, 2004-10 Richard Harris was a genius, a womaniser and a hellraiser whose career was as intense as his personal life. Over 45 years he appeared in an impressive range of theatrical productions, homegrown British and Irish films and Hollywood blockbusters. His death in 2002 was anticipated with wit and dignity. I don't want immortality, I've lived it all, I've done it all. In this powerful and candid biography, Michael Feeney Callan captures Harris's spirit and documents his highs and lows with a unique understanding of the actor and the man. Book jacket

[Daniel Radcliffe - The Biography](#) Sue Blackhall, 2014-11-06 Daniel Radcliffe went from shy schoolboy to the world's most famous boy wizard overnight Aged just ten when he won the iconic role of Harry Potter Daniel often had to beat his own demons as he met the challenge of combining childhood with being a child star No one could have envisaged just how huge the Harry Potter movie franchise would be or how dramatically life changing it would be for the little boy teachers once wrote off as having no prospects Daniel won the part out of a staggering 16 000 boys who auditioned Now it is hard to believe that anyone but he could have ever played the role Daniel became a film legend before he was out of his teens But there was much he wanted to prove In a bid to detach himself from being simply the boy with a wand Daniel had to make his own magic and bravely took on projects which were often controversial and challenging but never dull His courage at diversifying has won him a new army of fans Daniel's career choices have seen him dancing and singing his way into people's hearts as well as impressing them with his dramatic roles Now established as one of our leading young actors with a fame that is literally worth a fortune Daniel has managed to conquer the turbulent times as a teenager when his drinking could so easily have meant the end of it all Today Daniel is the Half Blood Prince who has become a full blooded actor and is looking forward to a future of fulfilled dreams and ambition

Biography and History in Film Thomas S. Freeman, David L. Smith, 2019-10-14 The essays in this volume seek to analyze biographical films as representations of historical individuals and the times in which they lived To do this contributors examine the context in which certain biographical films were made including the state of knowledge about their subjects at that moment and what these films reveal about the values and purposes of those who created them This is an original approach to biographical as opposed to historical films and one that has so far played little part in the growing literature on historical films The films discussed here date from the 1920s to the 2010s and deal with males and females in periods ranging from the Middle Ages to the end of the twentieth century In the process the book discusses how biographical

films reflect changing attitudes towards issues such as race gender and sexuality and examines the influence of these films on popular perceptions of the past The introduction analyses the nature of biographical films as a genre it compares and contrasts the nature of biography on film with written biographies and considers their relationship with the discipline of history As the first collection of essays on this popular but understudied genre this book will be of interest to historians as well as those in film and cultural studies Behaving Badly Cliff Goodwin,2004 Richard Harris was one of the most successful actors of his generation Though he was hailed for extraordinary early films such as *This Sporting Life* and *A Man Called Horse* his prodigious appetites for drink and drugs and women ensured that his turbulent life featured as much in the media as did his films Always driven by a restless intellect Harris published a novel wrote poetry and sang his own songs as well as performing in the hit musical *Camelot* His career was revived with movies as diverse as the chilling *Unforgiven* the epic *Gladiator* and of course his role as Professor Albus Dumbledore in the first two *Harry Potter* films failures his on going battle with his own demons and his health **The Virginia Magazine of History and Biography** Philip Alexander Bruce,William Glover Stanard,1915 Bulletin New Haven Free Public Library,1900 **The Dictionary of National Biography** Leslie Stephen,Sir Sidney Lee,1922 Dictionary of National Biography Sir Sidney Lee,1912 **Catalogue of the Liverpool Library at the Lyceum.
