While there have been writers about Gray McCubbin's influence on California history, and on history beyond California's borders—most notably in that the subject of this book, the war against and against birds of California, has been Gray McCubbin's story of others. Gray was well positioned to understand his influence during the inception of war history in California in the 1940s and 1950s. While others have seen and seen and had major influence on the situation, Gray has remained dedicated to the study and preservation of these birds well beyond all others. Members of the CBRC, past and present, proudly dedicate this book to Gray and wish him many more war birds to come.
