If their interactions with you and your employees were the only things your customers knew about your business, what would they say about it? Would they use descriptions such as uninformed, rude, hot tempered, uncaring? For your customer, nothing else represents your business more than your employees; therefore, nothing is more important than arming them with the knowledge and skills they need to find the best solution for every customer. Using scenarios, guidelines, and practice exercises, *Customer Service Training 101* will train them in creating positive first impressions, speaking and writing effectively, listening attentively, identifying needs, making customers feel valued, confidently handling customer complaints, and more. Your business plan is sound, your product is needed, your growth strategies are ground breaking, but poor customer service can bring it all to a crashing halt.
