How to define the output delivery

In the Océ Express WebTools you can define the default 'Sheet delivery' for your printed output.

- If you select 'Top Delivery Tray' and you use plain or transparent paper, your printed output is by default delivered in the standard top delivery tray. Your printed output is delivered face-down. If you use a different media type, the printed output is always delivered at the back of the printer.
- If you select 'Back output' your printed output is by default delivered at the back of the printer. Your printed output is delivered face-up.
