The Subversive Evangelical. Peter J. Schuurman, 2019-06-30. Evangelicals have been scandalized by their association with Donald Trump; their megachurches summarily dismissed as religious Wal-marts. In *The Subversive Evangelical*, Peter Schuurman shows how a growing group of reflexive evangelicals use irony to critique their own tradition and distinguish themselves from the stereotype of right-wing evangelicalism. Entering the Meeting House, an Ontario-based Anabaptist megachurch as a participant-observer, Schuurman discovers that the marketing is clever and the venue, a rented movie theatre, is attractive to the more than five thousand weekly attendees. But the heart of the church is its charismatic leader, Bruxy Cavey, whose anti-religious teaching and ironic tattoos offer a fresh image for evangelicals. This charisma, Schuurman argues, is not just the power of one individual; it is a dramatic production in which Cavey, his staff, and attendees cooperate, cultivating an identity as an irreligious megachurch and providing followers with a more culturally acceptable way to practise their faith in a secular age. Going behind the scenes to small group meetings, church dance parties, and the homes of attendees to investigate what motivates these reflexive evangelicals, Schuurman reveals a playful and provocative counterculture that distances itself from prevailing stereotypes while still embracing a conservative Christian faith.

The Mark of Cain Katharina von Kellenbach, 2013-05-28 The Mark of Cain fleshes out a history of conversations that contributed to Germany's coming to terms with a guilty past Katharina von Kellenbach draws on letters exchanged between clergy and Nazi perpetrators written notes of prison chaplains memoirs sermons and prison publications to illuminate the moral and spiritual struggles of perpetrators after World War II These documents provide intimate insights into the self reflection and self perception of perpetrators As Germany looks back on more than sixty years of passionate debate about political personal and legal guilt its ongoing engagement with the legacy of perpetration has transformed German culture and politics The willingness to forgive and forget displayed by the father in the parable of the Prodigal Son became the paradigm central to Germany's rehabilitation and reintegration of Nazi perpetrators The problem with Luke's parable in this context is that unlike the son in the parable perpetrators did not ask for forgiveness Most agents of state crimes felt innocent Von Kellenbach proposes the story of the mark of Cain as a counter narrative In contrast to the Prodigal Son who is quickly forgiven and welcomed back into the house of the father the fratricidal Cain is

charged to rebuild his life on the basis of open communication about the past The story of the Prodigal Son equates forgiveness with forgetting Cain s story links redemption with remembrance and suggests a strategy of critical engagement with perpetrators One Hundred or So Reflections from the Pastor's Desk Taken from Sixty Years of Ministry in Minnesota and Pennsylvania Rev.
