A Complete Guide to Training Library Staff Emily Leachman, A. Garrison Libby, 2024-11-14 This practical guidebook presents an infrastructure for training library staff starting with a robust onboarding process and continuing through a staff member's entire duration at an institution. Because library services and resources can change rapidly, ongoing training is an important aspect of library operations. Training can be a particular challenge at large multi-branch library systems because it can be difficult to ensure all staff are able to receive the relevant information. Written for library managers and training leaders, *A Complete Guide to Training Library Staff* presents a comprehensive lifecycle for staff development with a focus on tools and techniques to build a sustainable training program, set staff up for success in their positions, and develop a positive and supportive community across the library. Authors Emily Leachman and A. Garrison Libby spearheaded their library's movement to largely online trainings which are inclusive of staff at all branch locations. This practical guidebook helps managers and trainers develop a comprehensive plan that allows new staff to quickly become acquainted with the operations of the library, provides ongoing training to make staff aware of new procedures and services, and creates a collaborative and supportive training environment to empower staff to learn and lead.

New Employee Orientation Training Karen Lawson, 2015-11-20 A well-planned comprehensive orientation program benefits both organizations and employees. Investing in new employees pays big dividends in performance, retention, and engagement. But does your training program cover the essentials of making new hires feel informed, prepared, and supported? Organization Development Authority and prominent trainer Karen Lawson has created comprehensive new employee orientation workshops to ensure organizational onboarding is done right for the benefit of all employees regardless of job level or function. Her two-day, one-day, and half-day agendas include the resources trainers need to deliver practical, interactive sessions. Your workshop will help ensure that new employees integrate smoothly and effectively into their organization and its mission. You'll also find tools and checklists developed specifically for busy supervisors and managers who conduct orientation in their departments. Free tools and customization options. The free, ready-to-use workshop materials PDF that accompany this book include downloadable presentation materials, agendas, handouts, assessments, and tools. All workshop program materials, including MS Office PowerPoint presentations and MS Word handouts, may be customized for an additional licensing fee. Browse the licensing options in the Custom Material License pricing menu. Download a New Employee Orientation Checklist which has been adapted from the book and preview a sample activity PDF.
